NAVIGATING SPOKANE RIVER IN CAT BOAT

Spokane, Wash.—Arnold Owen, a resident of Walla, Idaho, who is making a trip from the heart of the Coeur d'Alene mining district to the Pacific ocean in a 14-foot cat-boat, has accomplished what no other man has ever attempted in successfully navigating the Spokane river, shooting more than 150 rapids in the stream, which has a fall of 1280 feet in 128 miles. Owen seeks to prove that the Coeur d'Alene and Spokane rivers are navigable, notwithstanding the opinion of the war department to the contrary. He covered 200 miles between Walla and Spokane in 10 days and expects to arrive at the mouth of the Columbia river on August 30. Though he has been in a number of tight places, Owen has met with no mishap so far. The small craft, however, shows the marks of many battles. The boat carries 65 square feet of sail, has an iron center board and rudder and is fitted with stout oars. Owen served under General Roberts at the relief of Ladysmith and campaigned during the entire war in South Africa and has sailed in almost every port in the world.

HAIR BEAUTIFIER.

Miss Alice Balmer, 133 S. 3rd street, Reading, Pa., knows that there is nothing so good for hair and scalp trouble as Parisian Sage. On June 8, 1910, she wrote: "I am using Parisian Sage two or three times a week and it is certainly fine. It keeps my scalp nice and clean and it cured my dandruff. I have no dandruff now. It makes the hair lustrous and fluffy and keeps it from falling out."

We urge every woman who loves radiant and fascinating hair to go to Tallman Drug Co. today and get a large 50 cent bottle of Parisian Sage. They guarantee it to cure dandruff, falling hair and itching scalp or money back.

Cuts and bruises may be healed in about one-third the time required by the usual treatment by applying Chamberlain's Liniment. It is an antiseptic and causes such injuries to heal without maturation. This liniment also relieves soreness of the muscles and rheumatic pains. For sale by all dealers.

The Man You Know

You can't tell by the looks of a Piano what's inside of it. You have got to trust your dealer for that. In choosing between a piano agent whom you don't know and your home merchant whom you do know, is it not good wisdom to pin your faith to your home merchant? We sell S. W. Miller's Matchless Models, the Mel-toned Music Makers from Sheboygan, Wisconsin, every one of them a Top-Notcher, keeping pace with the times. Their tone truly tells of their triumph over trashy types of Pianos often offered for sale by irresponsible agents. We invite you to see and hear the beautiful S. W. Miller Piano at the store of
