

S.S.S. PERMANENTLY HEALS SORES AND ULCERS

No matter in what way an old sore or ulcer first commenced, whether from a wound, cut, or bruise, or from the ulceration of a wart, pimple or mole, or even if it came without apparent reason, the fact that it does not heal shows that bad blood is responsible for the place. While the circulation remains impure and polluted, the nerves and tissues of the flesh around the place are constantly being fed with unhealthy matter and the fibres are thus prevented from knitting together and healing. Purify the blood and the place MUST heal, its cause having been removed. S. S. S. cures old sores and chronic ulcers because it is the greatest of all blood purifiers. It removes from the circulation every taint or impurity, and so enriches the blood that it feeds and nourishes the tender, sensitive flesh, causes a knitting together of all fibrous tissue and thus heals the place naturally and permanently. Book on Sores and Ulcers and any medical advice desired sent free to all who write and request it. S. S. S. is sold at drug stores.

Summers Beats Bender.
Detroit, Aug. 28.—Before the second largest local crowd in history and in one of the greatest games of the year, Detroit yesterday beat Philadelphia, 4 to 3. Summers had the better of the pitching duel with Bender and also received better support. Detroit won in the sixth when Delahanty singled, advanced on an infield out and a wild pitch and came home on an infield out. A foul tip from Murphy's bat in the sixth broke one of Schmidt's fingers and Stange replaced him.

No-hit, No-run Game.
Chicago, Aug. 28.—Ed Walsh pitched his first no-hit, no-run game of his career against Boston yesterday, being in the second game of the kind this season in the American league, the locals winning the first of the series, 5 to 0. Wood of Boston was the only other man who has pitched a no-hit, no-run game this year. Only one of the visitors reached first base. Early in the game Hendrickson and Speaker collided while running for Tannehill's long fly ball, and both were laid out for some time. Speaker retired from the game and Hendrickson was taken to a hospital suf-

Tacoma 9-0; Spokane 4-14.
Spokane, Aug. 28.—Spokane and Tacoma broke even yesterday. O'Loughlin had trouble in the first two innings and his support was very shaky, Tacoma piling up a safe lead. Annis yielded only one hit up to the eighth, when Spokane found him for four. Asher was batted hard in the second game. Haskell, the Olympia recruit, who succeeded him, was no better. Lynch went in to hustle the game through. It was called in the seventh on account of darkness. Willis was invincible. The scores:

Vernon 5-8; Frisco 2-6.
Los Angeles, Cal., Aug. 28.—Vernon easily won two games from San Francisco yesterday. In the morning contest at Vernon Miller was hit hard and Vernon took a big lead in the first inning. Two home runs, one by Carlisle and one by McDonnell were not needed.

In the afternoon game here Vernon again started to lead and it was not until the last three innings that the Seals could do a thing with Raleigh. Then it was too late. Brashear put the ball over the fence in this game.

Myram was sent in to break the Beavers' winning streak without avail. Los Angeles tied the score in the fourth and scored four men in the eighth and one in the ninth. The official score charges Christian with Oakland's defeat in the afternoon game. Berger Again Wins.
Centralia, Wash., Aug. 28.—Berger was invincible again Saturday afternoon and Centralia won a shut out game from Raymond by the score of 1 to 0. With the exception of the second inning when Raymond filled the bases with one down, Berger was never in danger, allowing but five singles which were badly scattered. Baker lost his game in the first inning when three hits, a base on balls and an error netted the locals two runs. The only feature of the game were the batting of Guyn and a long throw by Pickens of Raymond from center field that caught Brown at the plate in the fourth inning.
Roche caught an excellent game, not a man stealing a base from him.

Wealthy Widow in Veil.
Society Leader of Wealth Enters Convent.
New York.—On the threshold of the rejuvenation of all that usually fills the life of a woman born and bred to society's purple—a life in which she had been a dominant factor, aided by abundant wealth and high intellectual attainments—Mrs. Gertrude Halle Lanman, a widow, came to this city from her home in Norwich, Conn., to be received into the convent of the Sisters of the Reparation on East Twenty-Ninth street.
Exclusive society in New York, in which Mrs. Lanman was welcomed, will be no less surprised than that in her home town, where she was a social arbiter, to learn that at the conclusion of three weeks of prayer and meditation she will begin her novitiate.
"I have tried all the pleasures that the world has to offer," Mrs. Lanman said, in parting with one of her dearest friends. "All are unsatisfying. My happiness henceforth will lie

in following our Lord's footsteps and in humbly trying to do his work in laboring for others."
In keeping with the scriptural injunction that it is "easier for a camel to pass through the eye of a needle than a rich man to enter the kingdom of heaven," Mrs. Lanman has disposed of her jewels, art objects; her beautiful residence, one of the finest in Connecticut; in fact, all of her possessions except some property the income of which will be devoted to philanthropy.

WANTS SKIRT ABOLISHED.

Dr. Sargent Says Trousers Are Better for Women.
Cambridge, Mass.—"I consider trousers for women to be not only desirable from a hygienic and sanitary point of view, but distinctly desirable in the way of economy and simplicity," said Dr. Sargent of the Heminway gymnasium, Harvard.

"They give freedom of movement; they do away with the injurious corsets; they are less immodest than some of our latest gowns and they are in every way more desirable for the girl who works for her living."

Continuing Dr. Sargent said: "I certainly consider trousers a suitable and useful costume for women, especially for working women. Trousers are not a bit more indecent than some of the extravagant costumes that have become part and parcel of the fashionable woman's wardrobe of today."

"Trousers are well known as being a far more hygienic thing than skirts. They do not gather dust, since they sweep clear of the ground at all times. They do not catch all kinds of disease germs and the danger of infection thus is greatly diminished. Moreover, I think that the wearing of trousers would do away with corsets which alone ought to commend them to thinking women."

"That trousers give greater freedom to the body is self-evident. Any one who has seen some of our young stenographers will readily see the advantages of trousers.
"Sitting, standing, walking and running, the trousers have the advantage over the skirt always for ease and comfort."

GOTHAM EATEN UP BY MOSQUITOES

New York.—New Jersey which has suffered long and silently from the plagues of the professional and amateur humbugs of the New York press on account of the number and ferocity of its mosquitoes has had a chance during the past two months to turn the tables on its detractors.
Never in the memory of the oldest inhabitants suffered the dwellers in Manhattan so greatly from the mosquito pest as during the present summer. There has been a general tendency to ascribe the ailment applicable to an invasion from the Jersey side of the Hudson, but a scientific investigation has led to the conclusion that many at least of the annoyances are home-bred and as a result a demand has arisen for the oiling of the lakes in Central Park and in

ACT QUICKLY.

Delay Has Been Dangerous in Pendleton.
Do the right thing at the right time. Act quickly in time of danger.
Backache is kidney danger.
Doan's Kidney Pills act quickly.
Plenty of evidence to prove this.
Charles E. Berg, 815 N. Sixth St., Walla Walla, Wash., says: "I cannot give Doan's Kidney Pills enough praise for what they did for me after I had spent hundreds of dollars in an unsuccessful effort to get relief. I attribute my trouble to getting my feet wet and working in damp places. One day when stooping a sharp pain like the stab of a knife, caught me in my back. In a few days I got so bad that I had to take to my bed and I was attended by a nurse. My secretions were frequent in passage and contained sediment. I lost weight, had a poor appetite and was bothered by dizzy spells that blurred everything before me. One day I read about Doan's Kidney Pills and observing all the other medicines, I began taking this remedy. Before I had finished half the contents of a box, I felt better and my appetite began to pick up. As I continued using this preparation I regained my strength and my kidneys did their work as they should. I was soon able to leave my bed and I feel that Doan's Kidney Pills saved my life. My cure has been permanent and I am so grateful that I will gladly answer any letters, providing a stamp is enclosed."

The Man You Know

You can't tell by the looks of a Piano what's inside of it. You have got to trust your dealer for that. In choosing between a piano agent when you don't know and your home merchant whom you do know, is it not good wisdom to pin your faith to your home merchant? We sell S. W. Miller's Matchless Models, the Mellotone Music Makers from Sheboygan, Wisconsin, every one of them a Top-Notcher, keeping pace with the times. Their tone truly tells of their triumph over trashy types of Pianos often offered for sale by irresponsible agents. We invite you to see and hear the beautiful S. W. Miller Piano at the store of
