ACCIDENT AND RECORD CLOSE RACE SEASON

(Continued from page one.)

was unmarred and proved to be the most interesting and exciting of the season. Miss Rena Collins, driving Frank Frazier's "Lady Grace," established a new world's record for a mile pace on a quarter mile track with a lady driver when she made the circuit four times in 2 minutes and 35 seconds or 25 seconds under the previous record. The speedy little mare showed the result of careful training, never breaking once during the race against time. Frank Frazier with "Leola" kept beside the young animal throughout to encourage it to its best efforts.

"Leola" is Feature.
"Leola" delighted the crowd by her splendid performance in the three heats with the veteran "Hassalo." The latter was allowed to take the first heat and the second was a dead heat but in the last, Frazier gave his animal his head and the three quarters were made in 1 minute and 52 seconds.

Ole Olson repeated his former triumphs with his mare "Frisella J." by taking two out of the three heats from Jack Robinson's "Lady" and Tom Boylen's "Phoebe." George Perlinger driving. He would have taken the other heat undoubtedly, had not one of his wheels collapsed on the curve when he was well in the lead on the last lap. Olson's mare has shown marked improvement during the season and has grown to be a great favorite with the crowd.

Jack McPhail's "Umatilla Lad," driven by Frank Frazier, had but little difficulty in taking two straight heats from Ralph Tschella's "Lady L" and Aubrey Graham's "Elector" although the latter colt showed again that it has fine mettle in it.

In the double driving race, Nate Hines outdistanced Jack Luper but neither team showed any exciting speed activities.

side a long standing rivalry. Both of the riders were past middle age and both had been jockeys in their younger days. The race went for half a mile, Ghangrow's horse taking the lead on the first straightaway and keeping it until the finish. Time 55 and 1-2.

The next race was stopped in its beginning by the collision already recounted, but to fill up the gap Glen Bushee, "Tall Pine" and an Indian on Jim White's pony took the track for a quarter mile. The former finishing in the lead.

Three more races filled out the day's card. John Luck's "Sagebrush Charley," Shorty Saunders won a quarter from Barney Sherry's pinto Mickey Madden up. Sherry took honors, however, when his "Black Prince" won the following event, a half mile, with John Temple's "Shaniko" second and Perry Hunter's "Babe" third. George Gillette riding "Buck" took the last event of the day from "Kentucky Belle" with Van Daines as jockey. Time 30 seconds.

This concludes the matinee until after the Round-Up.
