**CHURCHES TO FEED ROUND-UP VISITORS**

LADIES WILL SERVE TWO MEALS A DAY

Hotel, Restaurant and Rooming Houses Enlarging Facilities for Handling Large Crowds—Uniform Rates Will Prevail.

Through the efforts of the accommodation committee of the Round-Up a number of the churches of the city have been prevailed upon to assist in feeding the multitude that will be here for the wild west show. The ladies of the Christian church will serve both dinner and supper in the basement of their church just across the bridge, while the ladies of the Methodist church will do likewise in their church on the corner of Webb and Johnson streets. The Baptist church ladies will serve meals at the parsonage next door to their church on Alta street and the ladies of the Presbyterian church will prepare a banquet for the visiting delegates to the medical convention which will be held here during the Round-Up. Both the Catholic and Episcopal church are considering joining in the movement also.

All hotels, restaurants, cafes and lunch counters are making preparations on a large scale to feed crowds and the Hobbach bakeries on Main and Court street will put up cold lunches to assist in satisfying the hungry horde. W. G. Bogart has been granted the concession for lunches at Round-Up Park and will be equipped to feed several hundred daily.

**Uniform Rates for Beds.**  
All of the hotels and the rooming houses with the exception of the Palace lodging house have signed an agreement to maintain uniform rates

for beds and this precludes the possibility of exorbitant charges being made. The agreement as drawn up and presented by Dr. I. U. Temple and C. E. Roosevelt, is as follows:

We the undersigned agree with the Umatilla-Morrow county fair association and the Round-Up association that we will not charge more than \$2 per day for double bed in room (except where bath and toilet service is furnished) and not more than \$1.50 per day for single beds in rooms and not more than \$1 per day for single beds where two or more beds are placed in one room or hall.

This agreement implies that the day shall terminate at 12 o'clock noon of each day.

Prominent among the observers of the legal battle were Dan Shaw, president of the Water Users' association of Birth and McKay creeks, W. R. **WOMAN CLIMBS FENCE.**

**Takes Short Cut to Catch Train and Is Cheered.**  
Tarrytown, N. Y.—Railroad fences are no obstacle to a New York woman when she wants to catch a train. This was demonstrated this afternoon when a well dressed, middle aged woman, with her arms full of packages, ran down the tracks as the 3:05 train came into the station and called to Remsen Anthony, the doorman, asking if the train went to New York. "Yes, madam," replied Anthony. "You must cross the bridge."

Very truly yours,  
**SATISPHYED BUYER**

The woman saw the bridge, and she also saw the shorter route over the fence and made for it. Dropping her bundles, she climbed the fence, while Anthony and the crowd at the station gazed in amazement. Anthony ran out and gallantly handed her the packages she had dropped. "Didn't I do it gracefully?" she asked.

"Just as well as any man could do it," Anthony replied.

The conductor saw the woman coming and he thought such a brave attempt to catch a train should be rewarded, and he held the train for her. As she stepped aboard the passengers gave her a cheer.

another will perform a similar duty at the old academy grounds on Webb street, where the Wallowa tented city is to rise.

Further assistance will be rendered in maintaining peace and order by Sheriff Taylor and his deputies, special agents of the railroad companies, plain clothes men and officers from other cities who are coming in numbers.

In view of these preparations, the directors of the Round-Up believe they can handle the crowds nicely and reduce petty crime to a minimum.

**The Man You Know**

You can't tell by the looks of a Piano what's inside of it. You have got to trust your dealer for that. Miller's Matchless Models, the Mellow-toned Music Makers from Sheboygan, Wisconsin, every one of them a Top-Notcher, keeping pace with the times. Their tone truly tells of their triumph over trashy types of Pianos often offered for sale by irresponsible agents. We invite you to see and hear the beautiful S. W. Miller Piano at the store of
