#### SEC'Y. FISHER WILL **VISIT HERMISTON**

TO MAKE INSPECTION OF PROPOSED EXTENSION

Will Pass Through Pendicton Enroute From Farming Center,

(Special Correspondence.)

Hermiston, Ore., Sept. 1.-Secre-Fisher of the interior department will Land & Irrigation company, visit Hermiston about the 8th of this stated that he was of the opinion that the secretary would be here but a few hours and while here would be taken out to the dam by the project engimeer and over the project. As the secretary expects to be at Yellowstone on the 11th he can not g ve very wauch of his time to the Umatilla The Commercial club will mod therefore take steps for his entertainment unless work is received That he will remain longer. It is the opinion at the present time that he will come by wayof Pendleton in the special car of William McMurray, general passenger agent, and will arrive at Hermiston early in the morning. when he will be met by several autorapbles and escorted over the project Mr. Blanchard is to wire the business. Commercial club in case any other

### HANDS WOULD **BURN LIKE FIRE**

Could Lay Pin in Cracks. Four Long Years of Eczema. Only Relief in Scratching. Used One Set of Cuticura Remedies. Hands Entirely Well.

"I can truthfully say Cuticura Remedies have cured me of four long years of eczema. About four years ago I noticed some little pimples coming on my little finger, and not giving it any attention, it soon became worse and spread all over my hands. If I would have them in water for a long time, spread all over my hands. If I would have them in water for a long time, they would burn like fire and large cracks would come. I could lay a pin in them. After using all the salves I could think of, I went to three different doctors, but all did me no good. The only relief I got was scratching.

"So after hearing so much about the wonderful Cuticura Remedies. I pur-

"So after hearing so much about the wonderful Cuticura Remedies. I purchased one complete set, and after using them three days my hands were much better. To-day my hands are entirely well, one set being all I used." (Signed) Miss Etta Narber, R. F. D. 2, Spring Lake, Mich., Sept. 26, 1910.

No ettenger evidence than this could

No stronger evidence than this could be given of the success and economy of the Cuticura Remedies in the treatment of torturing, disfiguring humors of the skin. A single hot bath with Cuticura Soap and a gentle anointing with Cuti-cura Ointment are often sufficient to afford immediate relief in the most dis-

afford immediate relief in the most distressing cases and permit rest and sleep when all else fails. Cuticura Soap and Ointment are equally effective in preserving, purifying and beautifying the skin, scalp, hair and hands.

Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world, a liberal sample of each, with 32-p. book on the skin and scalp, will be mailed free on application to Potter Drug & Chem. Corp., Dept. 2B, Boston, Mass.

vestigate the western extension, but will not have much time to give the people of Hermiston,

It is stated by the reclamation service at Hermiston that the water will be turned off in some of the lines about the 15th of this month. This is or the cementing of those lines, This work must begin soon if the lines are to be cemented. It is not known exectly what line litches will be worked bunting season opened yesterday with a at present

EASIER ON DESERT

Entrymen Can Secure Title on Claims Even Before Water is Secured. Salem, Ore.-The General Land of-Charles Johnson is installing city stance two hunters from Pendleton fice made a ruling in favor of the water in the offices of the Western ran out of shells and at six o'clock Desert Land entrymen in this state, month. Mr. Blanchard, the engineer, St. George Hotel of Pendleton, was in order to supply themselves with more cure title to his desert claim, before the city yesterday with a party of shells. It is hard to make an esti- securing a final water right certifimate as to how many ducks were cate from the state. The water rights killed, but it is safe to state that for desert claims are initiated by filclaim department of the O.-W. R. & every one of the hunters came back ing a water right application in the office of the state engineer. This application is sebsequently approved and returned to the applicant, and is his authority to construct wor s and ing on their leased lands. This club apply water to the irrigation of his consists of abount twenty-five of the claim. This application is analogous to the certificate the entryman received from the Land Office, and as the Land Office certificate is replaced by a deed after final proof, so is the vater permit replaced by a final water right certificate or deed, after the land niece. Alma Baker, accompanied her in splendid physical condition. The is under irrigation. It was this water right certificate that the Land Office demanded of the entryman holding down a claim on the isolated desert near Denio, 150 miles from the nearest railroad station at Winnemucca. Nev., and equally as far from the local Land Office at Burns. The mat-

ter was brought to the attention of State Engineer Lewis, and he advised ter spending the past month at the the General Land Office of conditions pointing out that proof could be made on a desert claim in three years, while under the state laws five years is al. ltor in Pendleton. Cape May, N. J.-Dr. L. C. Ash- lowed to complete appropriation of

It was also shown that such a ruling would operate greatly to the disadvantage of entrymen on isolated desert claims, enduring hardship in He cleared the shell and discovered their endeavor to build up the state received yesterday and the entrymen only the certified copy of a permit How the gold got there is a mys- and a statement from the State Entery which may be explained by some gineer to the effect that the failure chemical combination which precip- to furnish such water right certificate itated some of the sea water, which is not due to the applicant's non-

HITCHCOCK TO URGE U. S. PARCELS POST

Outlines Programme of Legislation to Be Sought at Next Congress. Washington .- An outline of the programme of legislation for the postal service which Postmaster-General during the regular session was indicated by Hitchcock.

In his annual report Hitchcock will recommend the establishment of parcels post service on rural mail routes; an increase in second-class mail rates, and a radical change in the system of compensating the railways for transporting the mails. Hitchcock explained that it was his

first idea to establish parcels post on the rural routes in order that the administrative details of the system right be worked out without disadvantage to the postal service gener-

Gradually, he said, he would extend the parcels service to urban communities, so that packages and parcels might be delivered locally by city car- a clear head and cheerfulness for

be extended to include railway trans-

Hitchcock indicated that the adminstration expected to adopt the recomriendations of the Hughes secondclass postage rate commission, which has been in session for several weeks in New York. The commission's report will be submitted to Congress in December.

IS SPRUCE AT SEVENTY-FOUR.

Veteran Vegetarian Is Vigorous and Economical, Boston, Mass .- George H. Ward of

Middleton, Conn., says: "At 74 years of age I challenge any one in New England to walk, at any pace, anywhere and under any condi-

"I know they're all afraid of me. I defy any one to best me, and I am willing to take any one on-young or old. Owing to my method of life, for I eat absolutely no meat, and I subsist only on crackers, catmeal and peanut butter, I have wonderful endurance and am more than a match for anybody. Although I live, and live well, on 26 cents a week, I am healthier and heartier than the aver-

age man." He derides the idea, recently made public by a western professor, that a man can live on 22 cents a week. But he considers 26 cents quite sufficient, and would think any greater outlay

of money an extravagance. "If a man wants to he can thrive seautifully and grow into a pillar of strength on 10 cents' worth of oatmeal week, and thus he can actually gealong on something like what the average fellow gives a waitress for

tp at a meal, "But I don't like to tie myself down to necessities like that. I want my little peanut butter and my crackers. This, of course, orings my weekly bitl up to 26 cents, but I don't begrudge it. All of us have our weaknessesome for drink or tobacco or somepeanut butter and crackers."

"I have a world of confidence in Chamberlain's Cough Remedy for I have used it with perfect success,' v rites Mrs M. I. Basford, Poolesville. Md. For sale by all dealers.

MILLIONS FOR INVESTORS.

The great burden of all the financng will fall upon the New York banks and the subtreasury there.

The government will have no important payments to make until October, when the interest on the \$600 .-000,000 consolidation loan of 1900 falls due and the first interest upon the recent \$50,000,000 issue of three per cent Panama bonds will be paid.

Diarrhoea is always more or less revalent during September. Be prepared for it. Chamberlain's Colle. Cholera and Darrhoea Remedy is prompt and effectual. It can always e depended upon and is pleasant to take. For sale by all dealers,

#### CASCARETS WORK WHILE YOU SLEEP

salts, Calomel and Cathartic Pills are Violent-They Act on Bowels as Pepper Acts in Nostrils,

Take a Cascaret tonight and thoroughly cleanse your liver, stomach and bowels, and you will surely feel great by morning. You men and wo-Hitchcock will ask Congress to follow men who have headache, coated tongue, can't sleep, are billous, neryous and upset, bothered with a sick, gassy, disordered stomach, or backache and feel all worn out,

Rre you keeping clean inside with Cascarets-or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important,

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gass; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels,

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means riers. Subsequently the service would months. Don't forget the children.

#### HIS TROUBLE NOT OF HEART

Real Facts In Regard To F. R. Huffman's Iliness. Relief Obtained By Curing His Stomach Ailments.

Waynesville, N. C .- Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain.

After other remedies had failed, Thedford's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold.

It cured my indigestion, and by this means I was restored to health. I can not express my gratitude for its benefits." Good health depends on the condition of your digestion. Poor digestion and good health do not go together.

Thedford's Black-Draught will thoroughly cleanse and set in order your digestive system.

It has done this for others, during the past 70 years, and is today the most popular vegetable liver remedy on the market. Try it.

Insist on Thedford's. Price 25c.

LOS MOLINOS CLAIM TO HAVE BIGGEST FAMILIES

Six Households in Agricultural District

Contain Total of Seventy-three, Los Molinos, Calif.—Los Molinos claims to be the banner district of California for large families. There ere six families in the district that are safe from the reproach of "race thing else. M'ne's a weakness for su'cide," numbering altogether seventy-three persons,

C. Fidler, who recently came from Loveland, Colo, has thirten children. Carl Guenther, acres of fine alfalfa land in Subdivision No. ... six miles north of Los Molinos, has twelve children, and E. Heppner, a thrifty German from North Dakota, has twelve, ten of them being husky sons. He has bought ninety acres and expects to buy each son ten cows. W. J. Davis, Los Molines' postmaster, has nine children, and is still a young man. J. J. Entz. formerly of Saskatchewan, Canada, has eight sons and daughters, and

George E. Spencer boasts seven, The three families holding the highrecords are Germans. Entz, who has only eight, is also a German.

Bluejackets' Kangaroo Put Ashore,

Portsmouth, N. H .- Murphy, the pet kangaroo of the battleship Wisconsin, has been detached from the ship and ordered to the zoological gardens in New York. Murphy loses his favored position in the navy owing to his bad behavior.

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both she and her coming house company of Pendleton for 69 child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the summer months on their homestead term. It works with and for nature, and by gradus"" expanding all tissues, muscles · involved. od con-

ae crisis baby too is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in

thousands of cases. Mother's riend is sold at Mother's drug stores. Write for free book for expectant mothers which contains much

valuable information, and many suggestions of a helpful nature. BRADFIELD REGULATOR CO., Atlanta, Ga.
