SPECIAL MEET OF WATER USERS CALLED

WILL AMEND BYLAWS TO COMPARE WITH STATUE.

Hermiston to Suspend Business Tomorrow and Attend Round-Up in a Bunch—Prize Offered for Guessing Number of Tickets Sold.

(Special Correspondence.)

Hermiston, Ore., Sept 14.—Notices have been sent out by the secretary of the Umatilla River Water Users' association to all members of the association, stating that the board of directors has ordered a special meeting of the stockholders Tuesday, October 3, for the purpose of amending the bylaws in Section 4, Article 5 so as to change the date of the annual meeting, which will most likely be some time in March, 1912, and will give all the members of the association a chance to vote their stock at this meeting as each person will be paid up. The government gave one year grace to make payments on water rights. The state law will not allow stock to be voted unless paid, and nearly every member of the association would take advantage of the one year allowed by the government in which to make payment on their stock.

The Hermiston Produce and Supply company has created quite an interest in their store by offering a prize to the person who will make a guess as to the number of tickets sold by the O.-W. R. & N. railroad office a Hermiston to the Round-Up in the three days of the Round-Up at Pendleton. Some of the guesses have been as high as 700 while others are as low as 200.

Otto G. Sapper, assistant cashier of the Hermiston Bank and Trust company yesterday sold his 20 acres of land south of town to an out-of-town party. This is one of the best tracts of land on the project near Hermiston.

Every store in Hermiston will be closed Thursday in order to let the people take in the Round-Up at Pendleton. Special trains will run in order to accomodate the people. It is expected that over 400 people will go up from this city in the next two days.

George T. Root returned from Portland this morning to look after the picking of his grapes; Mr. Root stated this morning that he had over a ton of grapes, and would go to Portland, and Seattle.

E. O. Comegys went to Pendleton yesterday for the Round-Up.

J. Howard Read of the Hermiston Bank and Trust company will spend tomorrow in Pendleton. His family will accompany him.

Dr. Monkman, manager of the new Project Drug company, is in Pendleton today on business.

STUDY OREGON HOPS.

Young People at Agricultural College to Test Samples in Laboratory.

Oregon Agricultural College, Corvallis, Ore.—Samples of hops which are being collected now by Prof. H. V. Tartar, of the chemistry department of the Oregon Agricultural College in the various hop districts of the state are to be studied by the chemistry students this winter. Recent tests by Prof. Tartar have shown the Pacific coast hops equal to any in the world, especially in the bitter content. He has announced his intention of placing the judging of hops for commercial use upon a strictly scientific basis.

MANY PILOT ROCK PEOPLE AT FAIR

(Special Correspondence.)

Pilot Rock, Ore., Sept. 14.—Miss Hazel Lynch is spending this week in Pendleton attending the fair.

Miss Elsie McReynolds spent a few days at the home of Charley Mathews on Stewart Creek.

Mr. A. J. Sturtevant is spending a few days in Pendleton on business.

Miss Ethel McCulloch of Wallowa, Ore., is here visiting friends and relatives.

Mr. J. W. Lynch and Lon Etter drove down to Pendleton Tuesday morning, returning home in the evening.

Mr. Anvil Esgerth spent Tuesday evening in Pendleton.

Mr. Cape Henderson and family spent Friday afternoon in Pilot Rock.

Little Gertrude Medrell, daughter of William Medrell, is ill with typhoid fever.

The harvest ball given Friday evening was well attended and every one reported having a fine time.

The ladies all met at the home of Mrs. Thomas Jaques Thursday afternoon, Sept. 7. The afternoon was spent in sewing after which refreshments were served. Those present were the Madames Marion Smith, William Evans, Douglas Belts, Leota Downy, Henderson, Owen Carnes and Thomas Jaques. The outside guest was Mrs. Newberry of Pendleton.

Port holes on war vessels were introduced in 1500.

Stops Falling Hair

Tallman & Co. Guarantee Parisian Sage, the Real Hair Remedy.

You can abolish every particle of dandruff, you can stop itching scalp, you can prevent hair from thinning or falling out by using PARISIAN SAGE which is sold on the money back plan.

PARISIAN SAGE soaks into the roots of the hair and not only destroys the microbes that cause hair troubles but furnishes to the hair just the kind of nourishment to make hair grow luxuriant and to put life and beauty into it. The girl with the Auburn hair is on every carton and bottle of PARISIAN SAGE. Look for it as imitations are numerous. Large bottle 50 cents at Tallman & Co. and druggists everywhere.

TOURISTS LEAVE MUCH MONEY IN JERUSALEM.

Washington.—Tourists who visit the Holy Land are hailed by the natives as a welcome and steady source of revenue. Interest in the subject led Consul William Coffin, of Jerusalem, to make inquiries and he reached this conclusion as to the share of the gold garnered in that district:

"Most of the tourists remain four or five days in Jerusalem and vicinity. A low estimate of each individual's expenses during his stay would be $25, and if the 7200 tourists in the 1909-1910 season spent only that much per capita, they left $180,000 behind them. The sum they'd spend is without doubt constantly in excess of these figures, and, added to the smaller expenditures of the thousands of pilgrims, makes an important part of the district's income."

The production of the exports classed under the heading of religious souvenirs forms one of the leading industries in both Jerusalem and Bethlehem. In the latter town there are several concerns shipping mother-of-pearl articles, chiefly rosaries and crosses, all over the world. Most of the pearl waste from which these are made comes from the United States. In Jerusalem there are numerous small shops manufacturing olive-wood boxes, crosses, flower albums, etc. for the tourist trade. The export statistics of this trade are of no value whatever, as they do not include the extensive shipments by parcel post.

Another New O. A. C. Man.

Oregon Agricultural College, Corvallis, Ore.—The new head of the electrical engineering work at the Oregon Agricultural College, W. A. Hillebrand, was called from an assistant professorship at Stanford, where he has been since graduation at Cornell in 1905 except for a short season when he was with the Western Electric company. He is author of a number of valuable papers on electrical science.

Digestion and Assimilation.

It is not the quantity of food taken but the amount digested and assimilated that gives strength and vitality to the system. Chamberlain's Stomach and Liver Tablets invigorate the stomach and liver and enable them to perform their functions naturally. For sale by all dealers.

TRAVELING SCHOOL.

Fair There Will Get Itinerant School from O. A. C. With Professors to Speak.

Oregon Agricultural College, Corvallis, Ore.—An itinerant school from the Oregon Agricultural College will go to McMinnville on the fair there September 19-23. It will include work in the dairy, domestic science and horticulture departments. The new process of budding walnut trees which has been worked out by the horticultural department at the college will be demonstrated.

HORTICULTURIST TO CANADA.

O. A. C. Professor to Visit British Columbian Fruit Sections.

Oregon Agricultural College, Corvallis, Ore.—Prof. C. I. Lewis of the horticulture department o the Oregon Agricultural College leaves on September 28 for a two weeks' trip through British Columbia fruit districts, and covering some 1800 miles.

For bowel complaints in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil. It is certain to effect a cure and when reduced with water and sweetened is pleasant to take. No physician can prescribe a better remedy. For sale by all dealers.

REMODELING GYMNASIUM.

Old Building at O. A. C. Being Made Commodious for Athletes and Coeds.

Oregon Agricultural College, Corvallis, Ore.—Facilities for physical training for both men and women at the Oregon Agricultural College will be greatly increased this year by the remodeling of the gymnasium building now in progress. Not only has the exterior been improved by supplanting concrete work for worn and painting the frame portion freshly, but the interior has been made far more convenient and sanitary.

Proper offices for the instructors in physical training, as well as shower baths, sanitary drinking fountains, dressing rooms and lockers have been installed and the heating and lighting facilities have been greatly improved. The first story is in white enamel and the main auditorium has been given a new hard wood floor and a stage sufficiently commodious to accommodate the entire faculty at convocation and provide space for college dramatic history hitherto resented at the local opera house.

As usually treated, a sprained ankle will disable a man for three or four weeks, but by applying Chamberlain's Liniment freely as soon as the injury is received, and observing the directions with each bottle, a cure can be effected in from two to four days. For sale by all dealers.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by doctoring the liver, which is torpid. HERBINE is a powerful liver correctant. It purifies the system, stimulates the vital organs and puts the body in fine vigorous condition. Price 50c. Sold by A. C. Koeppen & Bros.

CASCARETS INSURE INSIDE CLEANLINESS

The Millions of Cascaret Users Never Have Headache, Constipation, Biliousness or Sick Stomach.

It is more necessary that you keep your bowels, liver and stomach clean pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the decomposed waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

If going east, or west, or south, have tickets routed Northern Pacific Ry. Close connections at Pasco with all through trains. W. Adams, agent, Pendleton.
