## CATS ARE WEDDING GUESTS.

**Jokers "Ad" Brings Them, But Does Not Halt Ceremony.**  
Knoxville, Tenn., Sept. 16.—"Wanted—One thousand cats for scientific purposes. Fifty cents each single cat; \$1 for cats with families. Prof. W. F. Campbell, Knoxville."

"Wanted—Deserving persons to call and receive quantity discarded clothing in fairly good condition. Prof. Campbell, Knoxville."

In answer to these advertisements they came in droves—cats and beggars, small boys and reporters. Despite the jelling chorus and the growls from the disappointed captors, the marriage of Professor Campbell took place as scheduled.

His marriage to Nort A. Perkason was a brilliant event at the bride's home in Knoxville, although the racket outside was terrible.

Some friends thought it a good joke.

## \$9 KEEPS EIGHT A WEEK.

**"We Have Everything We Want," Says Head of Family.**  
Buffalo, Sept. 16.—While paying a fine of \$10 in the city court here for keeping an unmuzzled dog, Paul Gerish vouchsafed the information that his weekly wage was \$9 which provided for a family of eight.

"Is that enough to care for them all properly?" asked the court, and Gerish replied that he would not exchange places with Rockefeller or Carnegie. "Not all the money in the world would make me any happier, judge," he replied. "We have everything we want and a little something over. We don't claim to have solved any problem of existence, but where there is real love a young couple can get along on little."

## TESTIMONY STIRS JUDGE.

**"Had You No Powder?" He Asks When Aged Man Gives Divorce Testimony.**  
Reno, Nev.—James Woods, an aged resident of Broken Bow, Neb., was granted a divorce from Grace Woods by Judge Summers of the district court.

Woods at times had to stop in his testimony as sobs choked him. When he finished the judge said: "Haven't you any shot and powder back there in Nebraska?" Woods testified that he had given his wife property valued \$20,000. He said that when at home he was always ill and that when he was away from home he would be better, and he believed his wife had tried to poison him through his food and drink.

## THOUSANDS OF TURKS DEAD FROM CHOLERA.

**Entire Villages Desolated and No Attempt Made to Keep Record.**  
Constantinople.—The whole Ottoman empire is in the grip of cholera and deaths will be numbered in the thousands, though the failure of any attempt to keep an official record has made even an approximate estimate impossible.

Scarcely a town or village from Bagdad to Scutari has escaped. In Northern Asia Minor, where the scourge first appeared, whole villages have been wiped out. In some dis-

tricts, the tax gatherers, in making their rounds, have not found a living person, such of the inhabitants as had survived the epidemic having fled.

## WRITES BOOK IN 23 YEARS.

Palo Alto, Cal.—A trifle late for summer reading is the volume which Professor Walter Kendrick Fisher of Stanford University's department of zoology has rushed through in time for the early fall publishing list, and completed, under pressure, in just 23 years.

"Astroidea of North America" is the title chosen for the latest product of Professor Fisher's pen, and, as may be guessed the principal characters are star-fish.

The United States government is the publisher, issuing the book as a bulletin through the national museum.

**HERE IS A REAL DYSPEPSIA CURE**

**NO INDIGESTION, GAS OR HEARTBURN IN FIVE MINUTES**

**A Little Diapepsin Now Will Make Your Out-of-Order Stomach Feel Fine—Digests All Your Food Leaving Nothing to Ferment and Sour.**

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach, or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.
