HAD DIME TO AID MOTHER.

Lad Appears in Court With "Money To Pay Fine."

New York.—With a lone dime in his hand, Joseph Kyd, 8 years old, of 249 Eighth avenue, marched into the Jefferson Market Court and told the attendant at the door that he had come to pay his mother's fine and get her out of prison.

He explained that his mother, Mrs. Mary Kyd, had been arrested Saturday night. The lad bore himself bravely and refused the offer of a meal from a sympathetic listener. He showed the dime and said he had enough to buy food if he wanted it.

When his mother was arraigned before Magistrate Freschi, charged with disorderly conduct, tears for the first time filled the boy's eyes, but he wiped them away and listened intently. The magistrate found Mrs. Kyd "not guilty," and the boy took his mother's hand and marched off with her.

MAKES CALL IN BALLOON.

Aeronaut Shouts Welcome As He Passes Friend's Farm.

Kansas City, Mo.—Louis W. Shouse of this city made a balloon and visited the town of his youth, Liberty, Mo., twenty miles away. He was taking a spin in the air in the balloon, Kansas City, as the guest of Captain H. E. Honeywell, pilot, having started from here.

As they passed over Liberty, flying low, Shouse peered over the side of the basket.

"Is that Bill Briggs' farm?" he shouted to a seeming insect but in the form of a man as he spied familiar objects.

"Yes," came the answer.

"Bill at home?"

"Nope."

"Well, just tell him Louis Shouse came over to call in a balloon and is sorry he wasn't in. Goodbye."

"Goodbye," came the weak response and the skyman continued northward.

TWO MEET DEATH IN SURF.

Propeller of Motorboat Kills Swimmer; Other is Drowned.

Los Angeles.—Two young men, Donald Wright of Fullerton and David Thomas of Hollywood, met tragic deaths while in bathing. Young Wright was almost instantly killed at Balboa when he dove into the lagoon and came to the surface directly to the propeller side of a motorboat. His body was caught in the machinery of the boat and before the engine could be stopped the young man was fatally injured. He died before his body was taken to the shore. Young Thomas was drowned while swimming in the surf at Redondo Beach.

Wolf, pastor of the First Methodist church of this city, to exchange vocations for a week. The Methodist pastor will be given full rein on the Searchlight for a week. Chicago, Ill., Sept. 20.—A statement was issued here this morning to the effect that the International Harvester company will probably be the next great trust to be attacked by the government in its war on illegal corporations.

The company has asked Attorney General Wickersham for a definition of the government's phrase "Lawful Trusts" and expresses a willingness to reorganize without the formality of a court mandate.

It is claimed that the government will prosecute the Harvester trust on the grounds that it is illegally organized. The Harvester trust, is incorporated for \$120,000,000.

DETROIT CARMEN STRIKE AND TIE UP SYSTEM.
