Portland, Ore., Sept. 20.—Portland took the initial game of the series yesterday from Oakland by 2 to 1 after 12 innings of play, the first 10 of which were scoreless. Koestner was the pitcher for Portland and his work was masterful. Pernoll pitched ten scoreless innings but weakened in the 11th. Martinoni was sent in to pitch. Martinoni saved the day in that inning but Portland found him in the 12th and he was withdrawn and Gregory delegated to stem the tide. This did not have the desired effect for Portland scored the winning run almost immediately. Oakland's score in the 11th was due to bad judgment on the part of Chadbourne, who overran Ware's hit. Score: R. H. E. Portland 1 10 2; Oakland 2 9 0. Batteries—Gregory, Martinoni, Pernoll and Mits; Koestner and Kuhn.

## OREGON ASSURED OF CANAL TRIP

Washington, Sept. 20.—The movement started on the Pacific coast looking toward the selection of the historic battleship Oregon to lead the world-wide pageant that will open the Panama canal to commerce in 1915 is gaining such headway that it is believed this vessel is assured of the honor.

Assistant Secretary of the Navy Beekman Winthrop favors the proposition, and explains that the only thing necessary to bring about the Oregon's selection is a sufficient amount of public sentiment in its favor.

"The whole question is merely one of sentiment," said Winthrop today. "And if the people of the country show that they would like to have the Oregon, who won her first laurels by the remarkable flight from Puget Sound navy yard to Cuba by the present round-about route, to be the first to go from ocean to ocean through the newer and shorter way, the department will see to it that their wishes are fulfilled."

The Oregon is now anchored at the Puget Sound navy yard, having just been completely overhauled, and she is pronounced to be fit for another such cruise as made her famous more than a decade ago, although anxious to make the proposed triumphant voyage through the canal ahead of other vessels.

### NURSING-BOTTLE HAS HARP TO SOOTH BABY

Venice, Calif.—No more will the cries of "Little Precious" stir his proud and happy father to a tuck-dodging marathon on a midnight bedroom couch, for Mrs. J. W. Efferson of Douglas, Ariz., the wife of a mining man, has arrived here with a "baby pacifier," a device combining a milk bottle and an aeolian harp, the use of which gives the infant music during dinner hours and his parents a surcease from squalls. Mozart's five-year-old attempts at music are out-distanced for the younger Efferson, hardly past his first

### ACT QUICKLY.

Delay Has Been Dangerous in Pendleton.

Do the right thing at the right time. Act quickly in time of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Plenty of evidence to prove this. Charles E. Berg, 815 N. Sixth St., Walla Walla, Wash., says: "I cannot give Doan's Kidney Pills enough praise for what they did for me after I had spent hundreds of dollars in an unsuccessful effort to get relief. I attribute my trouble to getting my feet wet and working in damp places. One day when stooping a sharp pain like the stab of a knife, caught me in my back. In a few days I got so bad that I had to take to my bed and I was attended by a nurse. My secretions were frequent in passage and contained sediment. I lost weight, had a poor appetite and was bothered by dizzy spells that blurred everything before me. One day I read about Doan's Kidney Pills and discarding all the other medicines, I began taking this remedy. Before I had finished half the contents of a box, I felt better and my appetite began to pick up. As I continued using this preparation I regained my strength and my kidneys did their work as they should. I was soon able to leave my bed and I feel that Doan's Kidney Pills saved my life. My cure has been permanent and I am so grateful that I will gladly answer any letters, providing a stamp is enclosed."

## ERUPTION CAUSED TERRIBLE SUFFERING

Baby's Body Covered with Large Sores, Seemed to Itch and Burn, Finger Nails Fell Off. Little or No Sleep. Used Cuticura Soap and Ointment. In 6 Weeks Cured.

"When my baby boy was six months old, his body was completely covered with large sores that seemed to itch and burn, and cause terrible suffering. The eruption began in pimples which would open and run, making large sores. His hair came out and finger nails fell off, and the sores were over the entire body, causing little or no sleep for baby or myself. Great sores would come off when I removed his shirt.

"I tried a great many remedies, but nothing would help him, till a friend induced me to try the Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment but a short time before I could see that he was improving, and in six weeks' time he was entirely cured. He had suffered about six weeks before we tried the Cuticura Soap and Ointment although we had tried several other things, and doctors too. I think the Cuticura Remedies will do all that is claimed for them, and a great deal more." (Signed) Mrs. Noble Tubman, Dodsden, Mont., Jan. 28, 1911.

For more than a generation Cuticura Soap and Ointment have afforded the most economical treatment for affections of the skin and scalp of infants, children and adults.
