### MASS MEETING FOR NEXT TUESDAY

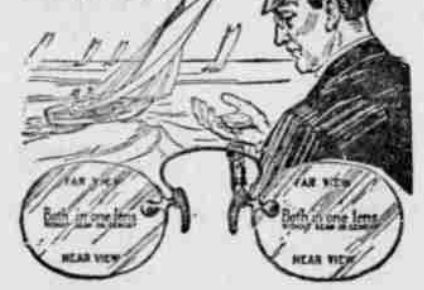

#### COMMISSION PLAN MEETING PROVED DRAW FIGHT

After Much Wrangling Last Night's Gathering Decided for a Further Meeting and Discussion—Next Meeting at City Hall.

After two hours of discussion in which the merits and demerits of the commission form of government were not extensively debated the meeting held at the Commercial club rooms last evening resulted in a drawn fight between those who favor the commission plan and those who oppose the same for Pendleton. As a result of action finally taken it was decided to hold another mass meeting at the city hall on next Tuesday evening to further discuss the subject.

Though called as a special meeting

### Newsy Notes of Pendleton

#### Two Marriage Licenses.

A marriage license was issued yesterday afternoon to Walter Lyle Boynton, clerk in the Clark grocery, and Theresa Emma Eggers of this city, and another today to Walter Price of Adams and Bessie Fern Abrams.

#### Sues to Recover Money.

G. S. Andrus has commenced suit against R. R. Andrus to recover \$11,275 which he alleges to be due, \$325 on a loan and \$750 for horses sold to defendant. Interest and costs are also asked in the judgment. Judge James A. Fee is attorney for the plaintiff.

#### Soon Ready for Travel.

Workmen are now busy constructing the approaches to the new Main street bridge and it will be but a short time until wagon traffic may be resumed across the river at that point. The foot walk on the west side of the bridge is also completed and as soon as the concrete has set it will be opened to the pedestrians.

#### Druggists to Close Earlier.

By an agreement between the proprietors of the different drug stores in the city, they will hereafter close places of business at 6:30 every evening except Saturday evening when they remain open until 9 o'clock. They also adopted new hours for Sunday and will hereafter keep open on that day from 9 until 12 in the morning and from 4 until 6 in the afternoon.

#### Attorneys Examining Paving Contract.

The paving of Cottonwood and Alta streets, which was ordered some weeks ago and the contract for which was let to Warren Brothers of Boston, has been delayed while the attorneys of the construction company examine the contracts submitted by the city. It is expected that a report will be made tonight and that work will soon be commenced.

#### Smith vs. Winkler Case Up.

The jury at the courthouse today is listening to the case of E. L. Smith vs. George Winkler, Judge Fee representing the former and Col. J. H. Raley the defendant. From the testimony it seems that Winkler purchased part of the property of his brother-in-law, A. G. McCarty, which property was all mortgaged. The case involves a settlement for this property.

#### Traveling Men Pleased.

That traveling men were well cared for in the city during the Round-Up is indicated by a cordial letter just received by Messrs Ladow & Peterson from the manager of the Marshall-Wells hardware company. In the letter the company's manager thanks the people of the city for the courtesies shown its representatives while they were here and also lauds the Round-Up.

#### Many Vags in Court.

Five "vags" were caught in the police dragnet yesterday and three of them will spend five days in jail while the other two were given short time to shift their presence to other localities. Dan Murphy, Henry Cliff and Lane Bennett are the three taking up their sojourn in the bastille while John Davis and Abe Johns are the others. A couple of drunks completed the budget this morning. W. McDonald and Charles Joplin being the names of the inebriates. Each drew three day sentences.

#### Former Wife Wins Damages.

Eldora Stewart won her suit against her former husband, Jerome Stewart, yesterday afternoon and the jury brought in a verdict for \$300 damages. The case involved the right of a divorced woman to sue her former spouse where a contract of settlement had been made, and the suit was won and lost when the court ruled not to allow the contract as evidence because such a contract made before the divorce was granted is contrary to public policy.

#### Boston Restaurant is Sued.

It appears from a suit filed today that when George Brown, one of the Greek proprietors of the Boston restaurant, left the city last Saturday with the receipts for four days in his pockets, he failed to settle certain accounts which the restaurant owed. Today George H. Clerk, as representative of a number of stores, commenced suit against Brown and Gus Manos, the proprietors. It is alleged that the restaurant owed the Peoples Warehouse \$73.90, Gray Bros. \$49.45, the Empire Meat company \$258.55 and Ben L. Burroughs \$18.00. Judge Fee is counsel for plaintiff.

#### Will Invite Editors.

By action of the Round-Up board, taken through Secretary James H. Gwinn, the Oregon editorial association is invited to hold its next session in Pendleton during the Round-Up. The invitation will be extended to the association when it meets in Portland tomorrow. It has long been the custom of the editorial association to meet in Portland and to confine itself largely to business matters. It is hoped that the invitation to meet here during the Round-Up will be accepted and that the editors of the state will assemble here for their next annual meeting and also to witness the next big frontier show.

#### Round-Up Buys Horses.

The Round-Up association now owns about ten head of horses, all but two of which are No. 1 buckers, and these two will be sold at the first opportunity. "Lightfoot" and "Judge Fee" were purchased last year and before the show this year the famous old "Long Tom" was bought from J. E. Smith. "Casey Jones," the little buckskin buckler, was also purchased before the Round-Up this year, while since the show, "Sanka," the little white "outlaw," and several others have been added to the associations live stock. The steers have been sold

at a figure but a little below the purchase price, so that the loss is but nominal.

### NOW BOOST THE COMMERCIAL CLUB

(Continued from page one.)

has over six hundred members, and they are earnest, and are doing things. Why can not Pendleton have five hundred members? Surely the citizenship of Pendleton is as interested in municipal affairs and questions of import as that of other cities.

The social features are coordinated with the business features and alone are well worth the dues. The expenses to the individual member are so small as to seem inadequate to the maintenance.

However, with a large membership, the expense is no more than with a smaller one, but the extra membership precludes the possibility of draining the resources of a few men. One dollar a month to the individual member is surely a small sum, and few there are who are prevented from joining because of this reason.

Get in, every member, and bring in the application of at least one other citizen of Pendleton. Consider this a matter of your individual attention, do your share, and the sum will be large. Let us beat every city of our size in the west, and prove ourselves "The Biggest City of Its Size in the West." Let every citizen be ready to sign an application, business and professional men, and let us not shirk our opportunity of each doing his share for Pendleton, Umatilla county and Oregon.

J. E. KEEFE, Sec.

### ADDITIONAL PERSONALS.

Deputy District Attorney Pruitt is out of the city for a few days.

John F. Hill left this afternoon on the N. P. for points in the northern part of the county.

Deputy Sheriff Joe Blakely is absent on civil business in the south end of the county.

District Attorney Sam E. Van Vactor returned to his home in Heppner yesterday morning.

### TRUST OFFICIALS PLAN TO FIGHT GOVERNMENT

Boston, Mass., Sept. 20.—Until they are prepared to fight the government through every court, it is today indicated that the officials of the United Shoe Machinery company will not enter pleas. President Winslow and Directors Hurd and Howe, were arraigned today before United States District Judge Dodge on charges of criminal conspiracy to restrain trade. They were released in \$10,000 bonds each.

### Many Killed in Riot.

Pekin, Sept. 20.—The French legation has received a dispatch from Sui Fu that the prefect's yamen at that place had been attacked and burned by the rebels. Many persons were killed.

The Chinese foreign board has reports of an attack on the yamen at Kiating Fu, but details are lacking. The board also has been advised that the yamens have been looted in five towns near Cheng Tu.

### Nelson Defeats Nixon.

Boston, Sept. 20.—Battling Nelson, former lightweight champion, hammered his way to victory in his bout with Billy Nixon of Cambridge last night, the referee stopping the fight in the tenth round of a scheduled 12 round bout.

### Pinchot at Cordova.
