The Quickwork Cleaner

DISCARD THE BROOM, ALLAY THE DUST AND PURIFY THE AIR.

When you use the broom or carpet sweeper you get only a small percentage of the dirt and a large percentage of the dust germs is either breathed into your lungs or settles on the tops of picture frames and furniture all over the house.

THIS IS AN AGE WHEN PURE AIR IS BEING RECOGNIZED AS ONE OF THE GREAT FACTORS OF HEALTH.

By the use of the QUICKWORK you draw the fresh air up through the carpets, so you not only take out ALL THE DIRT, but you also air them. Only in the last decade has science discovered that all disease comes from germs, and, as "necessity is the mother of invention," the QUICKWORK VACUUM CLEANER IS THE NECESSITY.

Follow me for a minute. Think about the people who walk on dirty sidewalks, and other folks have to walk in still worse places, and then come home to track this dirt and germs in the carpets and rugs, where it dries up and sticks to the small fabric so tightly that it is impossible for the broom to get it off. Nothing but the force of our QUICKWORK has proven a success in removing these germs and dirt, so if you want a sanitary home secure a QUICKWORK VACUUM CLEANER.

\$3.95 cash and \$25 worth of Quickwork coupons will give you a \$10.00 Quickwork Vacuum Cleaner. Coupons given in Clothing, Shoes, Dry Goods, Fancy and Ready-to-Wear Department.
