

LIVESTOCK RECEIPTS LIGHT AT PORTLAND

CATTLE TRADE MAKES VERY SLOW SHOWING

Further Depression Marks Trade in Swine—Sheep Market Well Supplied and Price Normal—Chicago Wheat Shows Advance.

(From Thursday's Journal.) While the offerings in the livestock market were not heavy this morning, about 20 additional loads were expected over the O.-W. R. & N. during the afternoon. The cattle trade was rather soft

and not until this morning could several loads held over from previous days be sold. Most of the stock that came in this morning consisted of cows, therefore the she-stuff has been in very liberal supply of late.

With both steers and cows in good supply in killers' feed lots, there has been no inclination to help along the price, and Portland continues one of the lowest cattle markets in the country, while the reverse was the case a year ago.

With both steers and cows in good supply in killers' feed lots, there has been no inclination to help along the price, and Portland continues one of the lowest cattle markets in the country, while the reverse was the case a year ago.

Quality cattle are not so eagerly sought by the trade here as has been intimated for but little difference is shown between the price of poor and good stuff. In competing markets quantity brings what it is worth;

therefore, there is some encouragement for feeders to turn out a better class of stuff than is ordinarily produced.

While the local market is paying quite favorably for the cheaper stuff the call for fancy quality is not sufficiently good to elevate prices to the height reached by other markets. Therefore while it has been uncommon for fancy steers to sell as high as \$7.75 the best offers locally have been fully \$2 per hundred pounds under that figure.

North Portland range:

Select steers	5.50
Fancy steers	5.40
Choice steers	5.40
Feeders	4.45
Common steers	4.00@4.25

Fancy cows	4.50

Fancy light calves	7.50
Medium calves	5.50@6.50
Ordinary calves	4.50@5.00

Further Depression in Hogs. There was further depression in the swine trade elsewhere and indirectly this is sure to affect the market at North Portland. Total offerings of hogs here this morning were but 80 head, which was not a sufficient amount to fully test the sentiment of the trade.

At Chicago today there was a loss of 5c in the hog market with tops selling at \$6.25. This means \$7.25 to land here.

Nominal North Portland prices:

Best light hogs	7.50
Medium light	7.40
Good and heavy	6.75@7.00
Rough and heavy	6.00@6.25

Sheep Market Is Supplied. So far as supplies are concerned, the sheep trade is getting about all the stuff it is able to take care of. Recent sales have indicated that packers are well fortified with mutton stock and therefore cannot be induced to pay more money, if as much money as formerly.

At Chicago there was a steady tone in the sheep trade with no change in prices.

At South Omaha sheep market was steady to 10c up with lambs \$5.00@5.90, yearlings \$4.25@4.65, wethers \$3.75@4 and ewes \$3.40@3.75.

AUTO CRAZE HURTS ENGLAND'S BUSINESS

Washington.—Craze for the ownership of autos in England has struck a hard blow at other lines of business. Conditions are described by Consul Albert Halstead, at Birmingham, who says in a report:

"The increased use of the automobile in England, while it has brought prosperity to the automobile and cycle makers as well as to those who deal in accessories, automobile clothing, and other articles attached to the trade, has apparently had a corresponding detrimental effect upon some other businesses. For instance one of the leading house painters and decorators in Birmingham tells the writer that people are spending their money on automobiles and their upkeep instead of on the redecoration and painting of their houses, so that his business had been seriously affected.

"People," he stated, "were living more in hotels and on the roads. This was confirmed by the head of the largest furniture and house furnishing store in the Midlands. The furniture trade, it was stated, had been seriously affected by the desire for the automobile. People were spending less time at home, caring less for the attractiveness of home, and devoting their surplus money, and even more than their surplus, to the purchase of automobiles and their upkeep; many, it being stated, purchasing motor cars without any ideas to the cost of their maintenance and the loss through depreciation. The hope and belief was expressed, however, that as the British people are home loving, the present craze would eventually subside.

Do the right thing if you have Nasal Catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, for they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents or mailed by Ely Brothers, 56 Warren street, New York.
