The Reason for This Great Sale

At This Time Right In the Heart of the Busy Season

A little over three years ago this store was incorporated and shares were taken by the First National Bank and F. E. Livengood. The Bank now wishes to close up its interests in the firm and in order to raise the desired amount we are compelled to raise \$20,000. That's all--we need the money--you need the merchandise--now is your chance. NEVER in the history of Eastern Oregon Merchandising have prices on good reliable goods been so low.

Every Article in the House
