ASSN. AS SPONSOR FOR DEVELOPMENT

(Special Correspondence.) Stanfield, Ore., Oct. 9 .- The Stan- Hermiston visitors Saturday. field Fruit Growers' association .at matters that are to be taken up dur- field. general way formulated plans for the year's work, especially along educa-tional lines in the general consider-morrow for Portland to attend the into central Oregon. ation of subjects that will be of ad- session of the Synod of the Presbyters presented before the meeting was away about one week. that of putting before the non-resi-dent land owners the benefits to be start this afternoon on a derived through the improvement of trip in the mountains and will be ron, Grass Valley, Arlington, Clem, flict, their lands, it being the unanimous away about ten days, opinion of those present that where it is possible for the land owner to do so it is far better for him to reside upon and improve the land personally, but in many instances this is, at least for the time being impossible. This condition makes it necessary for such improvement to be looked after by some local agency. A. B. Thomson, superintendent of the Inland Irrigation company, outlined a plan which is being considered by the association. This plan would make it necessary for the association to become sponsor for the work and a committee has been appointed to submit some definite plan at the next meeting of the association, which will be held Saturday evening, October 14th. It is more mostly of the club variety and there Coudder of the O. A. C. and six others than likely that some plan will be de- are more than \$9,000 bushels. cided upon whereby non-resident owners may be made aware of the conditions and possibilities to such creased acreage planted into orch-
