## SPORTS

### PACIFIC COAST LEAGUE.

Portland	111	75	596
Vernon	115	85	575
Oakland	109	95	524
Sacramento	91	107	459
San Francisco	91	110	453
Los Angeles	79	124	388

**Vernon Wins.**  
Los Angeles, Calif., Oct. 18.—Vernon yesterday took the first game of the series from Los Angeles and made a slight gain on Portland in the race for the pennant. Score: R. H. E. Vernon ..... 6 8 2 Los Angeles ..... 2 10 5

**Prisco 4; Portland 2.**  
San Francisco, Oct. 18.—Harry Suter's strike-out machinery was in good working order yesterday and eleven Portlanders succumbed to his twisters before the first game of the series ended 4 to 2 in favor of San Francisco. It was a loose game in point of fielding and there was a plenty of hitting besides, which served to keep the fielders on the jump. Portland made a desperate rally in the first half of the ninth, shunting Barry in to bat for Harkness but one run was the best they could do to offset San Francisco's three run lead. Harkness was steady but San Francisco found him quite easily and managed to pile up hits when they meant runs. Four errors by the locals, two of them contributed by Captain Mohler, aided Portland to some extent, but when a score seemed probable the local infield tightened up as two double plays at opportune times bear witness. Score: R. H. E. San Francisco ..... 4 9 4 Portland ..... 2 10 2 Suter and Schmidt; Harkness and Kuhn.

**Sacramento 14; Oakland 4.**  
Sacramento, Calif., Oct. 18.—Sacramento and Oakland had a session of average fattening yesterday, the locals piling up sixteen hits while the visitors found Byram for a total of

fourteen. But Sacramento made their sixteen hits count for fourteen runs and eight runs when aided by five Oakland errors. Sacramento winning, 14 to 5. R. H. E. Oakland ..... 5 14 5 Sacramento ..... 14 16 2 Gregory and Gleason; Byram and Price. Umpire—McGreevy.

**Americans 5-1; Nationals 1-5.**  
St. Louis, Oct. 18.—By defeating the local Nationals in the first game of a double header, the Americans won the city championship. The clubs played a second game to complete the scheduled series advertised this one going to the Nationals. In the spring-ante-season series, the Nationals won seven straight games. First game—R. H. E. Americans ..... 5 11 1 Nationals ..... 1 7 2 Lake and Stephens; Harmon, Deyer and Bliss. Second game—R. H. E. Americans ..... 1 5 4 Nationals ..... 5 11 2 Haxton and Kirshell; Laurmink, Perrine and Johnstone.

**Don't think because you have taken many remedies in vain that your case is incurable.** Hood's Sarsaparilla has cured many seemingly hopeless cases of scrofula, catarrh, rheumatism, kidney complaint, dyspepsia and general debility. Take Hood's.

**Boy Killed by Horse.**  
Junction City, Or.—Saul Cox youngest son of Jeff Cox, residing about five miles from Junction City, while going home from town lost control of the horse he was riding, was thrown and so badly injured that he died soon after. His horse overtook neighbors who were going home from town and they went back and found the boy. No one saw the accident and it is not known just how it occurred.

**Notice of Board of Equalization.**  
The said board will convene at the court house in Pendleton, Monday, October 16th, and remain in session until Saturday at 5 p. m., October 21, 1911. Taxpayers may then, by sworn complaint, apply for reductions or other corrections in their assessment. C. P. STRAIN, County Assessor.

Truth lies at the roots of a woman's hair.

## BOY IS KILLED; FATHER FAINTS

HEAVY TRUCK CRUSHES LIFE FROM 5-YEAR-OLD

Parent Joining Crowd of Curious to Look at Corpse, Is Prostrated on Recognizing Baby Boy — Driver Not Blamed for Accident.

Portland, Ore., Oct. 18.—Crushed almost beyond recognition under the wheels of an auto truck driven by Frank Russo, aged 28, employed by the C. J. Cook Contracting company, Benny Schidger, aged 5, met instant death at First and Arthur streets yesterday.

While playing tag on the sidewalk, Benny and a young companion failed to see the approaching truck and Benny, to escape directly under the wheel of the truck, which was loaded with earth. The warning cry of Russo was unheard, and the lad was ground under the huge wheel which passed over his entire body breaking every bone.

Russo was taken into custody by Patrolman Price and turned over to Captain Moore, who held him for a time, but no charges will be placed against him, as those who witnessed the accident clear him of blame. Russo was running his auto truck from First street into Arthur and had stopped the truck within 10 feet of the accident to allow another truck to pass, as the street is only partially planked. The truck which Russo drove was started again, very slowly, and the wheel did not complete a revolution after the boy was struck, so quickly did Russo stop the motor.

The body of the lad was identified by his father, one of many curiosity seekers who hurried to the scene when the screams of the frightened inhabitants of Portland's ghetto drew a throng. The elder Schidger fell unconscious when he drew the blanket off the body and recognized his son. The boy lived with his parents at 234 Arthur street, a few steps from the scene of his death.

**Roundup Pictures in Walla Walla.**  
Walla Walla, Wash.—Motion pictures of the 1911 Roundup at Pendleton, Ore., were shown in this city for the first time and attracted large crowds of visitors. The pictures were most realistic, showing thrilling scenes of stage coach races, bucking horses, roping steers and riders being thrown.

**Bad Rail Causes St. Joe Wreck.**  
St. Joe, Idaho.—A freight train on the C. M. & P. S. was wrecked two miles and a half above St. Joe. Three cars were derailed and one car of roofing was damaged. The cause of the wreck was a defective rail. No one was injured.

## TILLAMOOK MAN SHOT BY MARSHAL

FARMER RESENTS OFFICER'S ADVICE TO GO HOME

Drinking Ice Leads to Bloody Struggle Between Two Men, Resulting in Wounding by Former Councilman Who Denounced Manhandling.

Tillamook, Ore., Oct. 18.—Night Watchman Wilt shot and dangerously wounded Tom Kellow, a farmer, on Main street yesterday, during a struggle between the two men when the officer advised the farmer to go home. Kellow had been drinking, and when the officer urged him to leave the streets and go home, he demanded the night watchman's authority for such order. Being shown the officer's star, Kellow became abusive and made an attack on Wilt. The latter drew his gun to protect himself, and in the struggle Kellow grasped the weapon, at the same time beating the officer, who fired a bullet from the 32-caliber automatic passing through Kellow's stomach and hip, passing out at the back of the hip after shattering the bone.

Kellow was hastily taken to the hospital, where he was operated upon. He was raving with anger, and two men could scarcely hold him while the surgeons did their work. He swore vengeance against the officer, and said he "would clean out the town." The indications are that he will recover, though his injury is a serious one.

A peculiar coincidence is the fact that Officer Wilt was a member of the city council when City Marshal Reading struck down a man with his billy while enforcing an order, and the blow accidentally killed. At that time Wilt was loud in his denunciation of the officer's act, and said that the marshal "ought to be strung up."

**State Buys Stamps.**  
Salem, Or.—To provide against a stamp famine Secretary of State Wolcott has ordered \$5000 worth of Uncle Sam's little stickers which amount to the estimate he places upon the needs of the department of state until December 31, 1912. It is practically certain that there will be a deficit in the capitol incidental fund, and a condition might arise which would make it difficult for the state to get stamps as the government will not do a credit business.

**Italian Injured at Pasco.**  
Pasco, Wash.—An unknown Italian was found in the local railroad yards by yardmen and taken to the county hospital. He was unconscious when picked up and evidently had been struck or fallen on his head, as his head and face bore marks of severe bruises and his jaw appeared broken.

## COLT ENGINE RACE 6 MILES.

Contest a Dead Heat Till Frightened Animal Falls.

Bremen, Ga.—A colt belonging to O. C. Entekin, living near the Bowden Junction, on the Central of Georgia railroad, four miles south of Bremen, became frightened at an approaching freight train and dashed off up the railroad track in front of the fast-flying engine, and for three-quarters of a mile led in the race.

At this juncture the animal sprang to one side of the track and came into Bremen neck-and-neck with Engineer J. R. Richards and his engine. Rounding the depot, the colt joined in again with the train, and for two miles the race was continued, until finally the colt fell from exhaustion after a run of six miles.

**Workman Badly Injured.**  
La Grande, Or.—To fall into a trench being dug by an automatic digger and to be badly crushed was the fate of an Italian who was employed on the sewer project here. The conveyor caught the man and carried him out of the ditch before the machinery could be stopped.

**Loot Clarkston Drug Store.**  
Clarkston, Wash.—The Clarkston Drug company was robbed. Entrance was made through a rear window. The goods stolen were worth about \$500. They consisted mostly of cameras and camera supplies.

Homeliness in women is the first aid to virtue.

## SAGE TEA WILL DARKEN THE HAIR

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we have to do it ourselves, and all we have to do is to call for the ready-made product. Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy. The manufacturers of this remedy authorize druggists to sell it under guarantee that the oney will be refunded if it fails to do exactly as represented.

Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today and notice the difference after a few days' use. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by special agent, Pendleton Drug Co.

## SEN. LA FOLLETTE WILL MAKE A TOUR

TO VISIT TEN STATES BEFORE CONGRESS CONVENES.

Special Train Necessary in Order to Deliver Addresses Demanded by Progressives in Various Parts of Country—Starts in November.

Washington, D. C., Oct. 18.—In deciding upon a speaking tour of the Middle West, Senator Roger M. La Follette has yielded to the advice of his friends and to repeated demands from all parts of the country. He had made definite arrangements to remain in Washington until the adjournment of congress next summer and intended to adhere to his original plans until the demand for him to make speeches became so great that it could no longer be ignored.

Although the senator finally agreed to make a speaking tour he insisted that it be limited to about twenty-five days. This was due to the fact that he is now engaged on important work of various kinds which will occupy him until the first week in November and also to the fact that he insists on being in Washington when congress convenes the first week in December. As a result of this limitation set by the senator, it has been found necessary to confine his itinerary within about ten states.

This tour of Senator La Follette will disclose to the country the vital points on which the progressives in the republican party differ from the men in that party who supported the Payne-Aldrich tariff bill; who favored the railroad legislation sent to congress by Attorney General Wickert; who opposed revision of the cotton and woolen schedules at the last session of congress, who, in brief, make up the reactionary element in the party.

President Taft has been or will be in practically all of the states which are included in the tentative tour arranged for Senator La Follette. It is regarded as significant that a visit from the president and his explanation of the attitude of the administration on the great questions which are agitating the public mind at this time was followed by the demand for Senator La Follette which at last became so strong that it could not be denied.

While the arrangements for Senator La Follette's trip are by no means complete, it is known that he will deliver ten big speeches, that is, speeches on important subjects of from half an hour to an hour's duration. This plan will allow him to make a big speech in each of the states he will visit. In addition to this, the senator will make numerous speeches of shorter length. Because of the numerous demands for the senator's time, it is probable that it will be impracticable for him to travel on scheduled passenger trains. It will be necessary for him to make a large number of speeches from rear platforms, and for that reason, it is probable that he will travel by special train.

That Senator La Follette's trip is looked upon as one of great importance is indicated by the fact that a number of political writers have already made application to accompany the senator.

## WOMEN WITH PILES.

**Be Cured by Simply Taking Sugar Coated Tablets.**  
Constipation, tight clothing and women's ordeals cause piles. Women suffer piles form than men and all will be grateful to know of a successful remedy in tablet form that brings a cure without cutting, use of salves or suppositories. This guaranteed remedy is HEM-ROID, sold by Pendleton Drug Co. and druggists. \$1 for treatment lasting 24 days. Dr. Leonard H. Co., Station B, Buffalo, N. Y., Prop. Write for booklet.

## TEELS OF "WRIST" TORTURE.

**Ohio Prison Captain's Testimony Reveals Inhuman Treatment.**  
Columbus, Ohio.—Soloman Shipley, dismissed captain of the Ohio penitentiary night watch testifying before Attorney General Hogan in the inquiry into penitentiary affairs, declared that Warden T. H. B. Jones left prisoners hung up by the wrists from twelve to twenty-four hours. He told of an insane prisoner who was kept handcuffed in a cell in the asylum ward for twenty-seven months with out the handcuffs being removed except for four days.

## Is the World Growing Better.

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully. They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You will see. 50c at Koepfens.
