## **ALMOST FRANTIC WITH** ECZEMA ON HANDS

Began with Itching. Spread Fast. Fingers Fairly Bled. Cried Night and Day. Tried Cuticura Soap and Ointment and Was Entirely Cured.

"Eight years ago I got eczema all over my hands. My fingers fairly bled and it itched until it almost drove me frantic.

The cruption began with itching under the skin. It spread fast from between

the fingers around the nails and all over the whole lands. I got a pair of rubber gloves in order to wash dishes. Then it spread all over the left side of my chest. A fine doctor treated the trouble two weeks, but did me no good. I cried night and day. Then I decided to try Cuticurs Soap and Ointment, but without much hope as I had gone so long. There was a marked change the second day, and so on uptil I was entirely cured. The Cuticurs Soap we have always kept in our home, and we decided after that lesson that it is a cheap soap in price and the very best in quality. My husband will use no other soap in his shaving mug.

"I have always used Cuticura Soap and no other for my baby, and he has never had a sore of any kind. He does not even chafe as most babies do. I feel that it is all owing to Cuticura Soap for he is line and healthy, and when five months old won a prize in a baby contest. It makes my heart ache to go into so many homes and see a sweet faced baby with the whole top of its head a soid mass of scurf, caused by the use of poor soap. I always recommend Cuticura, and nine times out of ten the next time I see the mother she says 'Oh! I am so glad you told me of Cuticura." (Signed) Mrs. G. A. Selby, Redondo Beach, Cal., Jan. 15, 1911.

Cuticura Soap and Ointment are for sale throughout the world, but to those who have suffered much, lost hope and are without faith in any treatment, a liberal sample of each together with 32-p, booklet on the care and treatment of the skin and scalp will be maited free, on application. Address Potter Drug & Chem. Corp., Dept. 24A, Boaton.

## Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in con-densed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound Leelth, purifies d enriches the blood, and nourishes the nerves-in short establishes sound vigorous health.

If your dealer offers something "just as good," It is probably better FOR HIM...it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, In Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

EARLY WEEK QPOTATIONS

Heavy As Last Week-Interior substantial increase. Points Hold Better Prices-Chicago Wheat Market Advances.

(From Friday's Journal.) With all the talk of a very short supply, the run of cattle to date this week at North Portland has been almost four times as great as during Yearlings keting of cattle here totaled 1420 Fancy ewes ............... 3 00 @ 3.25 INSURANCE AND LAND BUSINESS head, compared with 416 head for the Ordinary ewes ...... 2.25@3.00 has consisted of 102 head, compared with 28 head for the first five days of a week ago.

Cattle prices here are "up in the air," so to speak. The sale at \$6 earlier in the week was misleading to the general shipper and is expected to hurt the market. While only one lot was taken at this figure, the nimals sold are said by all to have

een worth the premium, Real good steers would probably bring \$5.75 on the North Portland market today, although the average run of stock would probably not find

olds above \$5.60.

Country Short of Cattle. The entil- Oregon country is very short of cattle and therefore prices at interior points continue higher ban at North Portland. This means that values here are out of line with the entire country for prices paid at south Omaha and Chicago are far in excess of those in effect here, Had t not been for the fact that there are practically no cattle to offer at this time, shipments would have started this from Oregon for the South Omaha yards. The differential beween the price is one of the greatest known.

At Chicago there was a weak tone walks will be laid on eight blocks un- in the cattle trade during the day, but

prices were unchanged.
