TIE SUFFRAGETTE HAS YELL—YOU BET!

It's "Votes, Votes!" With W. S. P. as "Cracker"—Bit Anemic Now. New York—"Votes, votes, votes, votes, votes, votes, votes—W. S. P."

This is the new official "yell" of the woman suffrage party, as officially adopted by the annual convention of the party in this city. Mrs. Helen Griffith, one of the party district leaders, proposed the yell.

"We women need some method of expression," she declared, "they know how to do it at men's conventions, but we only give a dainty little clapping. I move that we adopt this original yell!"

They passed the motion on the spot and tried the yell, but without practice it sounded a little anemic.

Am now cured." Pure, rich blood makes good, strong nerves, and this is why Hood's Sarsaparilla, which purifies and enriches the blood, cures so many nervous diseases.
