needle and thread importers, at 105 Reade street, Manhattan. "There is no reason why the whole world should not know of it, if it interests any one. I saw in a paper that Judge W. O. Thomas of the circuit court at Kansas City, Mo., said from the bench, 'There is no such thing as a perfect wife.'" "Knowing there was such a thing and that I had one of them at home the nerve of that judge appalled me, and I just naturally sat down and wrote him a letter for his enlightenment. That's how the matter got out. "I have had one wife as I told him, for thirty-six years, and I would not change her in the least if I could. In all these years she has been an ideal wife, has never called me a liar and has been my inspiration, my helpmeet, my comfort in time of trouble, and I wouldn't take \$10,000,000 for her or give 10 cents for another. "We were Canadians, you know, and came from Fiesheron, Ont., thirty-three years ago, a poor man and his wife and one child. "I married her up in Canada when she was 15 and I was 22. I worked hard and got on. Eight children came and, thank God, they are all alive now. She has been the same cheerful, kindly heart through all the years, in good fortune and bad. I built a home that cost me \$60,000 and she kept four servants."

**BADLY HURT BY ROOSTER.** Man Knocked Down by Fowl Which Drives Spur Into His Wrist. Los Angeles.—To be seriously wounded by a rooster after having escaped the bullets of the confederate soldiers during four years of the civil war was the fate of Uriah Thomas, 76 years old. Thomas is recovering from loss of blood and various cuts which resulted when a gigantic fowl of the Plymouth Rock breed knocked him down and drove a spur more than an inch into his left wrist, severing an artery. Thomas was knocked down by the rooster, which attacked him as he stooped over to scatter corn to his chickens. The bird returned to the attack after being beaten off and would have harmed Thomas further had not his wife and neighbors gone to the rescue. **MILLIONS OF POLES USED.** Telegraph, Railway and Electric Companies Took 3,870, 94 in 1910. Take a Cascaret tonight and thoroughly cleanse your liver, stomach and bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping clean inside with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important. Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means a clear head and cheerfulness for months. Don't forget the children.
