

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it, are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. CATTLE OFFERINGS AGAIN LIBERAL

STEER MARKET SHOWS RATHER WEAK TONE

Wyoming Cows Bring Good Prices at North Portland—Small Run of Sheep, But Market is Firm—Hogs Slightly Easier—Wheat Dull.

(From Friday's Journal.) There was another very liberal offering of cattle in the yards today but five loads of the totals came from Wyoming. These consisted of two loads of cows and three loads of bulls. The fact that they came from a territory that could ship either to Portland or to South Omaha indicates that the local market, if anything, is slightly more favorable to the shipper.

The Wyoming cows sold at \$4.70 for tops, these averaging 1020 pounds. Another load that averaged 992 pounds went at \$4.55 at the same time.

The cattle market is showing a rather weak tone for steers but thus far the cheaper stuff has been held intact at previous prices. Receipts of cattle for the day totaled 382 head compared with 731 last Friday, when the record run put in appearance.

Sheep Firm. Trade in the sheep market remains firm. There was only a small run for the day, but the trade in general was very good, and arrivals were readily taken up. Offerings of mutton at North Portland today were 293 head compared with 259 last Friday.

Hogs Are Slightly Easier. With another rather liberal marketing of hogs from the local territory at North Portland today, prices at the yards were fractionally easier and lower. Offerings during the 24 hours were 497 head compared with 84 head last Friday.

During the morning's trade some 200 round stuff sold at \$6.90, while heavier stock sold at \$6 to \$6.75. This is about 10c lower than previous quotations.

Wheat Trade Awaits News.

Chicago, Nov. 11.—The wheat trade is awaiting news of a more definite character from the Argentine fields before moving much one way or another. That accounts for the slow market yesterday. Opening was 1-2c to 3-4c lower and the closing 1-8c lower for December and May and 1-8c higher for July.

There was a heavier tone abroad and this influenced the lower start. Range of Chicago prices furnished by Overbeck & Cooke Co.:

YOUR GRAY HAIRS QUICKLY VANISH

A feeling of sadness accompanies the discovery of the first gray hairs, which, unfortunately, are looked upon as heralds of advancing age. Gray hairs, however, are not always an indication of advancing age, for many people have gray hairs quite early in life. Of course, it is unnatural, and indicates that there is something wrong with the individual, and that Nature needs assistance in correcting the trouble. The same is true of hair that is constantly falling out and becoming thinner every day. If everything is right with Nature, the hair, even in comparatively elderly people, should be long, thick and glossy, without even a streak of gray. The ideal assistant to Nature in restoring and preserving the hair is Wyeth's Sage and Sulphur Hair Remedy, a clean and wholesome dressing for daily use. It not only removes dandruff, but strengthens weak, thin and falling hair and promotes its growth. A few applications will restore faded or gray hair to its natural color. Get a bottle today and let it do for you what it has done for thousands of others. This preparation is offered to the public at fifty cents a bottle and is recommended and sold by special agent, the Pendleton Drug Co.

Ship Crew Believed Dead. Seattle, Wash.—What may be a tragedy of Tuesday night's storm which swept Puget Sound, wrecking small craft and threatening disaster to shipping, was discovered when the fishing launch Minnie and unoccupied dinghy were towed into port today. The craft were battered by the storm and found adrift off Ald Point without any occupants. It is believed that all hands perished.
