**SAYS QUININE WILL NOT BREAK A COLD**

**HOW TO CURE COLDS AND GRIPE IN A FEW HOURS**

You will distinctly feel your cold breaking and all the Grippe symptoms leaving after taking the very first dose.

It is a positive fact that Pape's Cold Compound, taken every two hours, until three consecutive doses are taken, will end the Grippe and break up the most severe cold, either in the head, chest, back, stomach or limbs.

It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, mucous catarrhal discharges, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless compound as directed, with the knowledge that there is no other medicine, made anywhere else in the world, which will cure your cold or end grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

 Kettle Falls, Wash.—While J. V. **Mountain Metropolis Students Defeat Echo Basketball Team and Young Ladies Save the Injury With Feast for Vanquished.**

(Special Correspondence.)  
 Weston, Ore., Nov. 14.—The first number of the Ricketts entertainment company was given at the high school auditorium by Count Colonel Sobieski, Count Sobieski is a Polish exile and he lectured on the "Rise and Fall of the Polish Republic and the Struggle of its People for Freedom." The lecture which was intensely interesting consisted of narratives of several uprisings of the Polish people, etc. The entire lyceum course consists of two lectures, two musical entertainments and one chalk talker. If the following numbers are as interesting and entertaining as Count Sobieski they are well worth attending.

The Weston basketball boys played and won their first interscholastic game Friday evening when Echo, the opposing team, found "some basketball players." The game was full of ginger from start to finish and both teams were fast, but Echo found "Fat" Lansdale too fast for them. When time was called the score stood 37 to 13 in favor of the home team. The basketball girls had prepared an informal reception for the visitors and immediately after the game the high school and the teams spent a jolly good time at the high school reception room. The visitors left with the hope that a double header return game might be played next Friday, November 17.
