EPWORTH LEAGUE ELECTS OFFICERS

The monthly business meeting of the Epworth League was held at the beautiful new home of Mr. and Mrs. R. L. Oliver last evening, a hundred merry young people thronging the spacious parlors. It being the time for election of officers, after cheering reports from department officers, the following persons were chosen to serve in the future: President, Wm. A. Waters; 1st vice president, Fannie Wyllie; 2nd Ella Gregory; 3rd, Goldie McElroy; 4th, Mrs. Wm. A. Waters; secretary Alfred Christiansen; treasurer, Edna Earl; chorister, Jewell Rourke; assistant, Edna Coutts; organist, Audrey Hunter.

The 1st vice president reported the attendance at the devotional meetings during the past month ranged from 40 to 90.

The treasurer's report showed \$40 in the treasury. The young people have ordered an individual communion set for the church and instructed the committee on church law to employ a landscape gardener to put the lawn in first class condition.

The remainder of the evening was given to social enjoyment and a delightful collation was served.

Ten new members united with the league.

CHURCH DEMANDS FEES; PASTOR RESIGNS PLACE

Marshalltown, Iowa, Minister, With Wife and Six Children to Support, Quits When Salary Is Reduced.

Marshalltown, Iowa.—With a wife

and six children dependent upon him, Rev. E. Howard Brown, pastor of the Friends Church of this city, resigned when his congregation voted by a majority of two to reduce his salary from \$1000 to \$800. A further demand that the pastor credit the church on his salary with his fees in weddings, funerals and the like was also made. Rev. Mr. Brown is a graduate of Earlham College, Richmond, Ind., and formerly served churches at Traverse City, Mich., and Danville and Noblesville, Ind.

Fun Factory Coming Back.

The ladies who gave Aunt Jerusha's Quilting Party in the parlors of the M. E. church some time ago so successfully, and every one enjoyed it so much on account of its original local hits, they were prevailed upon to go to Pilot Rock. They all went over there in rigs and automobiles and gave it to a crowded house. So many who did not see it here but heard about it expressed a desire to see it that the Epworth League has asked the ladies to give it for them in the parlors of the M. E. church Friday evening, November 17. A charge of 25 cents admission will be made, the proceeds of which will go to buying an individual communion set.

A social good time will be had afterwards. Among the features will be a selection by the male quartette, Jack Keefe and Chas. W. Meighan.

Electioneer Proof.

"Somebody really ought to get out the society vote."

"I once tried to campaign among the Four Hundred, but I heard one woman tell her maid not to let any strange politicians kiss Fido and then I quit."

Newsy Notes of Pendleton

E. I. Davis Is Back.

E. I. Davis, well known civil engineer and who was one of the builders of the Umatilla project was a visitor in the city yesterday accompanied by his mother, Mrs. L. B. Davis. They are enroute for Hermiston where they will spend the winter. Since leaving the country Mr. Davis has been in South America and more lately in Porto Rico on engineering work.

Photographer to Ontario.

J. B. Burrell, one of the photographers who took snapshots at the Round-Up and who has been identified with C. S. Wheeler here for some time past, has decided to locate in Ontario and he and his wife left for their new home this morning. Mr. Burrell states he will be back for the 1912 Round-Up.

Claims He Was Held Up.

Claiming three men stopped the buggy in which he was riding through the streets of Adams last night, pulled him out, beat him and robbed him of fifteen dollars Elbert Allen, a mixed blood Indian, appeared at the office of Deputy District Attorney Pruitt this morning. The officers are investigating the story.

Four in Police Court.

John Jurdels and John Doe, a Swede, each forfeited five dollars a piece this morning in police court for being drunk and E. J. Perry went to jail for three days on the same charge. J. Burns, who declares he has been drunk for three days, paid ten dollars on a d and d charge.

Irrigation Company Sues Bank.

By a suit instituted today by the Maxwell Land & Irrigation company against the Hermiston Bank & Trust company the former seeks to have a trust deed held by the defendant set aside and cancelled and a quitclaim deed to the property involved delivered or asks that the bank be enjoined from selling the lands in question at auction as recently ordered by the secretary of the interior.

Get License on Second Attempt.

Charles Dennis of Walla Walla and Viola Baldwin, presumably of the same city, were today granted a license to marry by County Clerk Saling after being refused one on the grounds that the lady is not a resident of Umatilla county. However, love laughs at obstacles and this afternoon the couple returned with a witness who made affidavit that the lady is a resident of this county. The legal requirements satisfied, the license was granted.

NEGRO AND WIFE ENGAGE IN FIGHT

Hurrying to the colored colony on Garden street in response to a telephone message which stated that murder was being done in that part of the city, Chief of Police Gurdane yesterday arrived at the house of Bert Marlowe in time to separate that negro and his wife, who were locked, bleeding and exhausted, in the throes of marital combat. Blood was pouring from a large gash on the head of the man, inflicted by a beer bottle in the hands of his belligerent wife, and his gore had splattered the room and smeared the combatants.

Both were arrested and their trial is going on in the justice court this afternoon.

Marlowe and his wife, who is sometimes known as "Queen Beas," have figured in encounters with each other before. In fact, the officers say, their married life recently has been one series of battles, but the one yesterday was perhaps the worst yet, and it is probable that the court will take steps to separate them in the future lest serious damage be done. In fact the woman made the threat yesterday that the next time she would "kill him or beat him to death the next time."

MAKE PLEAS FOR NATIONAL HEALTH DEPT.

KANSAS CITY, Nov. 15.—United States Senator Owen of Oklahoma, today pleaded in favor of the establishment of a national department of health before the Trans-Mississippi congress today.

He asserted that 650,000 persons died annually in America of preventable diseases and the establishment of such a department would increase human life. Christian Scientists and other similar sects oppose the proposal as a "Doctor's trust."

To Maintain Bond Values.

Washington, Nov. 15.—As the result of the first sale of postal savings bank bonds in New York recently at the low rate of 92.5, the trustees of the postal savings banks are considering the adoption of prompt methods to maintain the securities at their face value.

They will announce their willingness shortly. It is expected, to invest in these bonds at par the thirty per cent of postal savings deposits which the law places at their disposal for investment "in bonds of other securities of the United States."

WOMAN MAYOR MELTS MEN.

Rockford, Ill.—Mayor Kate F. O'Connor of the town of Arcadia, by virtue of her office decided to act as police magistrate ex-officio and weigh carefully the court business that had accumulated since the town was established. There was a woman prosecuting attorney present. All tight men with change—were arrested, tried and fined, the fines being turned over to the Rockford Catholic orphanage fund. Suffragette police-masters were called in to see that the suffragette mayor were carried out.

At the suggestion of Mr. Hartman himself, an auditing committee consisting of A. J. McAllister, J. V. Tallman and N. D. Swearingin, was appointed to expert the accounts of the association and the individual reports of the committee chairmen, and at the further suggestion of Treasurer Rittner, this committee was empowered to employ a competent accountant.

Figures on Attendance.

Mr. Hartman's report also showed that the actual number of paid admissions during the three days' show was 23,816, with the estimated number of employees, performers and other persons entering on passes would bring the attendance up to 31,000. Of the total number of paid admissions, 6864 were secured on the first day, 11,875 on the second and 10,077 on the third day. The morning show on the second day gave that day the largest number, although the greatest attendance at any one performance was on the last.

Assets of Round-Up.

The list of tangible assets of the Round-Up association includes \$8,744.85 in cash, \$2688.50 in chattels, \$490 in unpaid subscriptions and \$221.65 in accounts receivable. This latter being for cots purchased by the railroad company. Besides these the association has its equity in the lease on the grounds which run for nine years more with the option of five additional years.

Congratulatory Letters Read.

Congratulatory letters couched in glowing terms from William McMurry, general passenger agent of the O-W. R. & N. company, Jack O'Neill, traveling passenger agent, F. W. Robinson, general freight agent, both of the same company, Guy W. Talbot, president of the Pacific Power & Light company, and Paul C. Bates, prominent real estate and insurance man of Portland, were read before the meeting, all of them commending the Pendleton for its great institution and the directors for the wonderful executive ability displayed, and declaring the Round-Up the best show in the west.

Fine Stage Coach Presented.

In Mr. Robinson's letter the announcement was made that E. W. Arlington, head of the 101 Ranch Wild West show has offered to make the Round-Up a present of a genuine old Concord stage coach which he has in New Jersey. Mr. Talbot was so enthusiastic over the show that he wants to put up a silver cup as a trophy for one of the events.

Election Exciting.

It was following the reading of these letters that the election of the new board was made, the stockholders having already declared for the new amendment curtailing the board membership and abolishing the board of control. Upon a motion, the eight old members who had signified their willingness to serve again, were unanimously re-elected and nominations were then made for the three remaining positions. Six candidates were placed in the field, to-wit: James Sturgis, Jack Kiefe, Henry W. Collins, Sam R. Thompson, Dean Tatom and Dr. W. H. Lytle. The first two ran far in the lead, but the race between the remaining four was close, Collins nosing out ahead of Thompson by but two votes with Lytle and Tatom not far in the rear.

Upon the announcement of the result, the presentation of the watch to the retiring president was made and the meeting adjourned. The new board met immediately following and elected its officers.

FAMOUS STAR TO VISIT PENDLETON

When Joseph F. Sheehan, America's greatest tenor comes to the Oregon Theater Sunday evening, November 19, with his all star company, we will have an opportunity of hearing what critics pronounce to be the finest musical organization in America.

The tour of this famous organization has been one succession of triumphs. Everywhere both press and public unit in pronouncing the magnificent performance of "The Love Tales of Hoffman," the greatest complete opera which America has heard in 20 years.
