

# Young Mothers

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both she and her coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles, and nerves involved, and keeping the system in good condition, brings the mother to a crisis in splendid physical condition. The baby too is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores.

# FANCY CATTLE ARE BOUGHT AT PREMIUM

MARKET GENERALLY IS FIRM AND RECEIPTS FAIR

No Sheep for General Trade Received During Day—Swine Offering Is Unusually Heavy and Market Is Steady—Wheat Climbs Higher.

(From Wednesday's Journal.)  
Some extra fancy quality cattle sold this afternoon at a premium over the morning's business. Some steers shipped forward by Jim Wilson of Waterman, Or., brought \$5.85 and a lot shipped by R. D. Cannon from Condon brought \$5.75. The stock had not been weighed in time to give the official weight, but the lots were estimated from 1200 to 1225 pounds each.

With practically no change in prices from yesterday, the cattle market at North Portland was steady today. There was a run of 366 head compared with 80 last Wednesday.

Best offerings in the steer division sold around \$5.65, several sales being made at this price during the morning's trade.

No Sheep for Market.  
While there were three loads and a fraction of sheep in the yards today, the three loads were a direct shipment to a local butcher and therefore did not enter the trade.

Market for mutton remains firm at the previously quoted prices. Outlook is for an improvement in this condition.

Sheep values at North Portland:

Select lambs	4.75
Choice lambs	4.60
Common lambs	3.50 to 4.00
Yearling lambs	4.00

Many Hogs Received.  
There was another big offering of swine in the local yards today, all of the arrivals being from local points. The run included 353 head compared with 85 head last Wednesday.

The market at North Portland was steady during the day, \$8.85 being received for best block offerings, although one small lot of feeders brought a premium of 10c over the best killers.

The class of hogs that is coming to the local market is much better than during any previous year at this time, this accounting for the evenness of quotations.

# Over-Worked Girls

Read What This Girl Says:

Appleton, Wis.—"I take pleasure in writing you an account of my sickness. I told a friend of mine how I felt and she said I had female trouble and advised me to use Lydia E. Pinkham's Vegetable Compound, as she had taken it herself for the same trouble with wonderful results. I had been sickly for two years and overworked myself, and had such bad feelings every month that I could hardly walk for pain. I was very nervous and easily tired out and could not sleep nights. I had dizzy spells, and pimples came on my face. But I have taken your Vegetable Compound and I am entirely cured. I think it is the best medicine in existence."—Miss Cecilia M. Bauer, 1101 Lawrence St., Appleton, Wis.

THIS GIRL SAYS IT IS WOMAN'S BEST FRIEND:  
Chicago, Ill.—"Your Compound cured all my troubles and I am feeling strong and happy and able to work now. Wherever I go I shall praise Lydia E. Pinkham's Vegetable Compound, as I think it is woman's best friend. I have told all my friends the good it has done me."—Miss Maggie Isbauer, 2418 So. Whipple Street, Chicago, Illinois.

Lorimer, Iowa.—"I had a heavy cold in the spring and got all run down and was irregular. I had no strength and had bearing down pains in my sides and back, and was very nervous and excitable. I took Lydia E. Pinkham's Vegetable Compound, and I am all right again, and stronger than before."—Miss L. E. Williams, Lorimer, Iowa.

Is it not reasonable to suppose that a medicine that did so much for these girls will benefit any other girl who is suffering with the same troubles?

Does it not seem the only sensible thing to give such a medicine at least a trial? You may be sure that it can do you no harm, and there is lots of proof that it will do you much good.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

## FOLKS PAST FIFTY MUST USE CASCARETS

What Glasses Are to Weak Eyes, Cascarets Are to Weak Bowels—A 10-Cent Box Will Truly Amaze You.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets and they cost only 10 cents per box at any drug store. They work while you sleep.

### Y. M. C. A. AIDS SELF-SUPPORTING STUDENTS

University of Oregon, Eugene, Ore.—Sixty-two self-supporting students at the University of Oregon have been supplied with work during the last month and a half through the employment bureau of the Student Y. M. C. A. Twenty-seven of these men were given permanent employment, while the others were given only temporary jobs. Secretary Coyl, of the Y. M. C. A. states that practically every student who came to the University with the expectation of having to support himself, has now found work of some kind or other, and that there seems no probability of any of the self-supporting students having to leave college before the close of the year on account of lack of support.

The aiding of students in securing support is one of the main services of the Student Y. M. C. A. to the student body. If it were not for the remuneration students gain from doing odd jobs around Eugene, in the stores and in private homes, while attending the University, at least a third of the men would have to leave for home.
