Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an oily emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes. Mother's Friend is for sale at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature. The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes. Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the
