PENDLETON ELEVEN ARE CHAMPIONS

skin over the goal line and the ball was forfeited.

After two bucks for small gains, Baker punted forty yards. A double pass failed to work, but the Baker team was again penalized for 15 yards when Thompson was again interfered with on a punt.

Hinderman and Jordan tore off two yards apiece and Fee then essayed another place kick, but the ball fell short and was captured on the five-yard line by the Baker safety. Sturdivant was off-side on the first play and Pendleton was penalized five yards. McCord made two three-yard bucks and Herbert finished up the yardage. McCord plunged two more yards and Pendleton again lost five on an off-side penalty. However, the remaining three yards could not be made in one down and the ball was forfeited.

Hinderman plowed through the line for ten full yards and the ball was on the Baker 20-yard line. In two downs it was carried four yards nearer the goal, from where the fourth trial was made at a place kick, the ball again missing by a few feet.

After a punt out by Baker from the 25-yard line, the whistle blew and the third quarter was over with the score unchanged.

Last Quarter.
Weeks replaced Pobst at end on the Baker team, which was the only alteration on either team during the entire game. This last quarter period was played in a semi-darkness and the watchers on the sidelines crowded closer to the scene of action. Pendleton started toward the goal from the 40-yard line and Thompson immediately cut down the distance ten yards on an end run. A forward pass failed and Hinderman kicked to Bronaugh, who ran the ball back ten yards. McCord plunged four more and at this juncture Baker tried her only forward pass of the game, the attempt proving disastrous as the ball was intercepted by Jordan, who carried it to the 15-yard line before being downed. He then carried it six more on a buck and Fee dropped back for a place kick. The ball was, however, fumbled and went to Baker on the 15-yard line. Bronaugh punted forty yards and Chapman was downed in his tracks. An exchange of punts followed and then Pendleton's second fumble gave the ball to Baker on the 28-yard line. Bronaugh sent a long low punt to Fee, who ran with it twenty yards. A punt was sent to the 15-yard line, and when Baker attempted to kick back, the rising ball was blocked, but was recovered by a miler. An exchange of punts and a penalty for Pendleton of 15 yards put the ball in Pendleton's possession on the 30-yard line. McDonald worked a fake for 20 yards and Hinderman plowed through center for five more. A final criss-cross enabled Chapman to cross the goal line for the only touchdown. Goal was missed and game called on account of darkness. Score—Pendleton, 8; Baker, 0.

LARGEST WEEK-DAY AUDIENCE YET RECORDED
Church Delighted With Last Night's Attendance at Revival.

Much satisfaction was expressed at the Christian church revival last night over the fact that the largest week-

day attendance was on hand to hear Evangelists Holmes and Ridenour, and to enjoy the fine music.

Although the music has been good all the time, yet last night was if possible, just a little better.

"Christ is King" was the chief congregational hymn and the people sang lustily. The male quartette sang "There's a Church in the Wildwood" and were heartily cheered.

Evangelist Holmes said that they would sing again. Then Mr. Ridenour gave the illustrated song, "The Ninety and Nine" at the close. The lantern had been moved to the auditorium, and there were many expressions of appreciation over both the pictures and the song itself. One of the leading musicians of the city was heard to remark last night that Mr. Ridenour was the best director and soloist that had ever visited Pendleton. All lovers of good church music are delighted with his work.

Mr. Holmes delivered another of his splendid sermons, speaking on "Gospel Commands." He said there were some needed emphasis, especially in a revival, but that those addressed to the sinner should be carefully noted. He declared that he had no "hobbies to ride"—no "pet doctrines to teach"—but simply undertook to quote the book on such important matters. He was especially considerate of those who hold views differing from his, although he insisted that where the Bible reveals God's will, man has no "right to an opinion." Tonight he will speak on "Gospel Promises" and another illustrated song will be given.

Sunday is to be a great day. The invitation will probably be extended at the Sunday school hour. Mr. Holmes will speak on "Doubling a Preacher's Power," and from the large church on church history.

DOG SOAP CURES BALDNESS.

Experience of an Official in Missouri With a Mango Remedy.

St. Louis.—Deputy Factory Inspector James J. Mullen of Alton has discovered a new cure for baldness and falling hair. This boon to humanity is ordinary dog mange soap.

Mullen purchased some soap to use on his dog and as he read the advertisement on the cover he began to wonder why the soap would not kill the microbes that cause dandruff and loss of hair.

He tried it and it proved successful. Now he has many of the bald deputy factory inspectors in the state using dog soap on their heads.

Mullen claims that where he had a shiny spot on his head a luxuriant growth of hair has sprung forth, coaxed out by soap.

A California woman of 102, after cleaning house, went and registered as a voter. Fifty years ago she was probably called "aged."
