## ROUNDUP BAND WILL PLAY AT SPOKANE

It became certain this afternoon that Pendleton will be represented at the Spokane Enakopos by the Round-Up Cowboy band and a queen both of which will appear in the parade. So generous was the response made by merchants and other boosters of the city when asked for contributions to defray the expenses, that the committee of business men appointed to collect funds announced definitely that the financial obstacle to the trip has been removed.

The band boys, twenty-five in number, will leave here next Sunday in a private Pullman and their horses will go on the same train in a Palace stock car. The big parade will take place on Monday and the band will return the day following but the queen will stay the full week and will be the guest of the Snakopos management.

The choice of a young lady to wear the regal robe of Pendleton will be made by the committee tonight.

### WOLVES CHASE DEER IN CITY.

Quarry Escapes, But Its Body Is Later Found Outside.  
Anaconda, Mont., Nov. 21.—A band of timber wolves chased a large deer into Anaconda. The deer escaped after a desperate resistance, repeatedly turning his antlers upon the pursuing pack. Persons aroused by the disturbance took several shots at the wolves without effect.

After the partiality devoured carcass of the deer was found in one of the suburbs of the city. The wolves had cornered its quarry in a clump of brush. This is the first time that any game animal has been killed within the city limits by a wolf or other wild beast.

Wolves have been unusually numerous in this section of the state since the cold weather set in. It is believed that they are drifting in from the foothills and plains in search of sheep with which the mountain valley ranches are filled.

Better be non-religious than hypocritical.

### Wife Insane; Wants Divorce.

Alleging that his wife, Mabel Foster, is now in the state insane asylum to which institution she was committed in 1907 but that prior to that time, made his life burdensome by her surly temper and frequent accusations of unfaithfulness, Doc Foster, well known Pilot Rock Everyman, today commenced suit in the circuit court for divorce. The complaint sets forth that the couple were married in Dayton, Wash., in 1901, that there is no issue from said marriage, and that the defendant persistently refused to bear children; that she accused him falsely many times of adultery and in other ways annoyed and vexed him. Because defendant has been declared incompetent and is thus unable to answer the complaint, the plaintiff asks that a guardian ad litem be appointed to act for her, and declares J. N. Burgess, George Carnes or L. E. Roy to be acceptable persons for this commission. Frederick Stelwer is attorney for Mr. Foster.
