

OWES HER HEALTH

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much Lydia E. Pinkham's Vegetable Compound and Sensitive Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."

—Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases.

MUTTON QUOTATIONS SLIGHTLY SHADED

MARKET WELL SUPPLIED AT NORTH PORTLAND

Good Showing of Swine Sends Market Down a Dime—Cattle Show Decline of Ten Cents—Chicago Wheat Shows a Loss.

(From Thursday's Journal.)

Montana furnished the Portland market with both cattle and sheep today and helped to weaken the trade in both lines.

There was another heavy offering in the mutton division at North Portland. Receipts showed a total of 2980 head for the 24 hours compared with 4071 yesterday and 1369 last Thursday.

Sales of extra fancy stuff were made in the yards at practically previous prices, although there was a tendency to shade quotations somewhat when quality was not first class.

In this line is included the major portion of the arrivals from the local territory during the past 48 hours. The stock consists mostly of range stuff, therefore is scarcely fit for the block.

The shipments from Montana were of better quality than those offered from local places, therefore the prices were higher.

Sheep values at North Portland:

Select lambs	5.00
Choice lambs	4.75
Common lambs	4.00@4.25
Yearling wethers	4.55
Old wethers	4.25
Fancy ewes	3.45@3.50

Showing of Hogs is Liberal.

There was another good showing of local hogs in the North Portland yards today. Totals were 498 head compared with 520 last Thursday. Trading was generally considered 5c lower at \$6.65.

Cattle Market Off.

Market for cattle was generally considered off 10c by the trade at North Portland this afternoon. Select Montana stuff sold late today at \$5.65 for 1277 pound average steers.

Buyers in the cattle division at North Portland were holding off their purchases this morning. There was a liberal run since yesterday, one shipment of three loads being in from Montana and 12 loads from Camas, Idaho, in addition to those from other sections. Receipts for the day totaled 597 head in addition to a run of 160 calves. A week ago the cattle run was but one head.

North Portland cattle market range:

Chicago Wheat Lower.

Chicago, Nov. 24.—There was a weaker tone in the wheat trade all day yesterday. The close was 1-8 to 3-8c lower after an opening unchanged to 7-8c off.

The bearish note was the news from Minneapolis, which gave the four production for the week ended November 18 at 313,295 barrels, compared with 308,705 barrels for the same week in 1910.

Liverpool was weaker and fractionally lower and Argentina news was too conflicting to base any opinion.

RIDES THE SYSTEM OF SCROFULA

Scrofula is a disease usually manifested in childhood, though some who are victims of the trouble reach manhood or womanhood before there is any manifestation of the trouble; but no matter at what age it shows, the disease germs are in the blood, and until they are removed there cannot be a healthy condition of the body. The ordinary symptoms of Scrofula are swollen glands about the neck, scalp diseases, skin affections, poor physical development, etc. S. S. S. has cured thousands of cases of Scrofula. It is the greatest of all blood purifiers, and by going down into the circulation and removing the germs and poisons, and enriching the blood by the creation of nutritive corpuscles, S. S. S. makes a permanent cure. S. S. S. is a purely vegetable remedy, made entirely of health-giving roots, herbs and barks, and is perfectly safe for persons of any age, or those in delicate conditions of health. No one need fear to give S. S. S. to a child, following directions, and the health it will bring to frail, delicate children will be a blessing to their parents. If you or your child have Scrofula, write for our book on the blood and ask for any medical advice; no charge for either. S. S. S. is for sale at drug stores.

Restores Gray Hair to Natural Color

Sulphur is a Natural Element of the Hair

When there is not a sufficient amount of sulphur in the hair, it loses its life, color and strength, turns gray, and falls out. There are many forms of sulphur, but only one kind that is suitable for treatment of the hair and scalp, and that is the kind used in preparing WYETH'S SAGE AND SULPHUR HAIR REMEDY.

We Have the Secret, and We Give You the Benefit of It at an Exceedingly Low Price

For two or three years my hair had been falling out and getting quite thin, until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly, until now I have used four bottles. The whole top of my head is now fairly covered with hair, and it keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.
