At the Grand.
The management of the Grand should be congratulated on the classy acts it is staging this week. Opening Thursday packed houses have been the issue. The bill consists of the following:

Miss Marie Myers opens with four violin solos that are very cleverly rendered. Miss Myers being an adept on the violin.

Brown & Williams, the boys with the crazy feet, follow in a knock about dancing number. This act is away from all other dancing acts as the boys use roller skates and do eccentric dancing and are both very clever. Bob Miller follows in a black face monologue, keeps the house in an uproar of laughter and is easily the comedy hit of the bill.

Joe Noel, the clever female impersonator is certainly the feature act, doing four complete lightning changes of different characters, also doing a clever dance while jumping rope. This bill should draw packed houses for the remainder of the week. Complete change of program Monday at matinee.

Water Users Attention.
