

# LIVESTOCK RUN IS LIGHT AT PORTLAND

### R. N. STANFIELD BUYS LOT OF FEED SHEEP

#### Cattle Market Maintains Quiet Tone With Few Arrivals—Hogs Are Holding Steady—Chicago Wheat Traders Wait for Crop News

(From Friday's Journal.)  
There was only a small run of stuff

in the yards today. The sheep run tapered off and only 273 head appeared at North Portland during the past 24 hours.

A feature of interest in the mutton market was the shipment to this city from Shaniko by the Primeville Land & Livestock company of a number of cars of feed sheep. This stock has been held over on the market for several days, but was finally sold to go back almost into the same country from where it was shipped.

R. N. Stanfield of Stanfield, was the purchaser and the stock will be shipped back today. It will be fed for this market and returned later in the season in the shape of finished mutton,

thus making two trips to this city and one back to the country. The stock sold at \$3 for yearling wethers.

Dairy Cows From Minnesota.

Two more loads of dairy cows came forward to North Portland during the day. The shipment was from South St. Paul and was made to a stockyard firm.

There remains a quiet tone in the cattle trade. Receipts for the day were merely the dairy cows, therefore no beef stock was available. Late receipts have been all the trade shipped for, therefore there is no scarcity here.

Waiting for Crop News.

Chicago, Nov. 25.—Crop news from Argentina seems to be the issue in the wheat trade at this time. The absence of definite information has left the trade uncertain in its action. Closing was 1-4c down for Decem-

ber, unchanged for May and 1-8c higher for July, after an opening unchanged for December, 1-8c to 1-2c higher for May and July, respectively.

Liverpool was slightly higher at both the opening and closing. Broomhall estimated world's shipments of wheat on Monday at 5,200,000 bushels, exclusive of North America. He predicts a moderate change on passage.

# KIDNEY TROUBLE

Suffered Ten Years—Relieved in Three Months Thanks to FE-RU-NA.

C. B. FIZER, Mt. Sterling, Ky., says: "I have suffered with kidney and bladder trouble for ten years past. Last March I commenced using Peruna and continued for three months. I have not used it since, nor have I felt a pain."

### DYNAMITE IN S. P. TUNNEL

Redding.—Five sticks of dynamite and an unused candle carefully wrapped in a newspaper, were found on top of a Southern Pacific tunnel by William Hanks, a logging man.

Hanks brought the package to Redding and delivered it to Sheriff Montgomery and a railroad detective. An investigation will be made.

Significance is attributed to the find in view of recent attempts to dynamite Southern Pacific trains.

### J. P. MORGAN FALLS IN CHURCH

Financier Soils Collection at the Feet of Bishop Greer.

New York.—J. Pierpont Morgan tripped in church and falling to the floor, spilled the contents of the collection plate, which was piled high with money. The banker was uninjured.

Mr. Morgan, who is senior warden of St. George's Protestant Episcopal church, was about to pass the plate to Bishop Greer for the offertory benediction when he stubbed his toe over a misplaced pew cushion on the floor just behind the chancel rail and fell on his hands and knees.

Mr. Morgan probably was the victim of his own gallantry for the new cushions were placed on the chancel steps at his suggestion to permit many women, who had been standing in the back of the church to sit down.

## Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

### Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of cures. "No, thank you, I want what I ask for."

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement once a day.

## The Famous Rayo Lamp

The best part of the day is the evening, when the whole family is gathered together around the lamp.

The old days of the smoky fireplace and flickering candle are gone forever. In their place have come the convenient oil stove and the indispensable Rayo Lamp.

There are to-day, in the United States alone, more than 3,000,000 of these Rayo lamps, giving their clear, white light to more than 3,000,000 homes.

Other lamps cost more, but you cannot get a better light than the low-priced Rayo gives. It has become so popular we may almost call it "the official lamp of the American family."

The Rayo is made of solid brass, with handsome nickel finish—an ornament anywhere.

Ask your dealer for a Rayo lamp; or write for descriptive circular to any agency of the Standard Oil Company (Incorporated)

John Parsons, Stewart, Ohio, writes: "We use Foley's Honey and Tar Compound as our best and only cough remedy. It never fails to cure any of my seven children of cough. My 2-month-old baby has had a most severe cough which our Doctor said he could not cure and that Baby would surely die. Several of our relations and neighbors had gathered to witness the ending of the child's life. Two bottles of Foley's Honey and Tar Compound cured the child and he is alive and well today."
