ASSERT REPORTS PRINTED
WERE WHOLLY MISLEADING

Special Number of Christian Young Men's Publication, Issued from Portland, Contains Many Misstatements, According to Faculty.

Oregon Agricultural College, Corvallis, Ore., Dec. 1.—That "Apple Growing in the Pacific Northwest," a book just issued by the Y. M. C. A. at Portland, is erroneous, misleading and unscientific, is the dictum of the experts at the Oregon Agricultural College who gave ten of the lectures reported inaccurately in the book. No request for permission to print the lectures was received at the college from the association, nor were the lecturers given opportunity to look over either stenographic reports or proofs before the book appeared from the press.

"As far as horticulture is concerned, the book might well be termed 'A Horticultural Joke Book,'" said Prof. C. I. Lewis, chief of the division of horticulture at the college, this morning. "It is supposed to be the report of some 19 lectures given by various horticultural experts from all over the northwest. Ten of these lectures were given by representatives of the college and experiment station. The division of horticulture alone furnished five of these. Unfortunately we had no opportunity to see the stenographic reports or to read the proofs before the book went to press; consequently the book is full of errors—in fact ridiculous errors. Unfortunately many of the errors are serious, as they misrepresent certain sections of our state, as well as place myself and other members of the division of horticulture in a false light before the people of our state.

"In my first article, 'Selection of Orchard Soil,' I find on the first page alone there are seven errors. I am quoted as giving the rainfall for the Dalles region as only 7 inches, when a perusal of the weather report will show it to be several times greater than that I am quoted as stating that the soil in the Umatilla valley will grow pears better than any other soil, when probably the pear is one of the few crops to which that soil and those climatic conditions are not very well adapted, and I would not wish to encourage pear growing in that section until we have experimented more."

Prof. Lewis continued giving other instances of misquotations, as to the Freewater-Milton district, the White lands, the amount of rainfall, and altitude. E. J. Kraus, horticultural research expert for the experiment station, also pointed out numerous errors in the report of his lecture on "Pollination."

FRUIT BELT OF FOUR STATES CUT INTO DISTRICTS

Spokane, Wash.—Twelve districts in Washington, Oregon, Idaho and Montana have been established by the Central Fruit Marketing Exchange, which was formally organized here on November 29 by a committee of 11, appointed by the Walla Walla convention last February. Larned E. Meacham, secretary, will have charge of the bureau to be established in the Hutton building, Spokane, the middle of December. The 12 districts are:

- District 1—Southern Oregon: Jackson and Josephine counties.
- District 2—Willamette valley: Douglas, Lane, Benton, Linn, Marion, Polk, Yamhill, Clackamas, Multnomah, Washington and Columbia counties.
- District 3—Lower Columbia: Hood River, Wasco, Sherman and Klickitat counties.
- District 4—Yakima: Yakima, Kittitas and Benton counties.
- District 5—Wenatchee: Chelan, Okanogan and Douglas counties.
- District 6—Inland Empire: Spokane, Stevens, Kootenai and upper Whitman counties.
- District 7—Snake river: Latah, Nez Perce, lower Whitman, Asotin and Garfield counties.
- District 8—Southern Idaho: Washington, Boise, Elmore, Ada, Canyon and Malheur counties.
- District 9—Eastern Oregon: Union and Baker counties.
- District 10—Walla Walla: Walla, Columbia and Umatilla counties.
- District 11—Montana.
- District 12—Western Washington: W. H. Otis of Peshastin, Wash., chairman of the committee, said today that any district organization

A CERTAIN CURE FOR CATARRH

The mucous membranes of the nose and throat are exposed to the irritating influence of dust, impure air, etc., and for this reason are the places Catarrh usually first manifests itself. But these are simply exciting causes, the inflammation and discharge being really produced by an impure and vitiated condition of the blood. It is well enough to use some local treatment to cleanse these membranes, but any one can readily see that if the inflammatory matter is left in the blood, such treatment cannot possibly have any permanent effect. S. S. S. cures Catarrh by purifying the blood of all impure catarrhal matter and irritating germs and at the same time builds up the system by its fine tonic effects. When S. S. S. has purified the blood, the mucous surfaces are all nourished and made healthy. There can be no inflammation of the membranes then, because the blood is pure, and every tissue receives nourishment instead of irritating matter. Our book on Catarrh will give proper advice as to what is best to use as a local aid while S. S. S. is purifying the blood. This book is free, also any special advice you may feel you need. S. S. S. is sold at drug stores.

THE SWIFT SPECIFIC CO., Atlanta, Ga.

having the same general purposes as those for which the exchange is formed, may be affiliated upon application. He added: "The exchange will first form as a statistical bureau but we shall be in a position to handle the 1912 crop."

RESERVE BATTLESHIPS MAY BE KEPT ON COAST

San Francisco.—All, or the greater part, of the reserve battleships of the United States navy are to be maintained on the Pacific coast, according to announcements made here today that naval officers on the coast have received orders to that effect from the navy department.

It is said that this plan will be put into execution immediately after the opening of the Panama canal, and that as there is no fresh water basin available on the Pacific coast the vessel probably will be stationed somewhere on the San Francisco bay. The reserve fleet is now stationed at League Island, near Philadelphia. It comprises the battleships Indiana, Iowa, Maine, Massachusetts and Wisconsin, to which the Illinois, Alabama and Missouri will be added soon.

Quick climatic changes try strong constitutions and cause, among other evils, nasal catarrh, a troublesome and offensive disease. Sneezing and snuffling, coughing and difficult breathing, and the drip, drip of the foul discharge into the throat—all are ended by Ely's Cream Balm. This honest remedy contains no cocaine, mercury, nor other harmful ingredients. The worst cases yield to treatment in a short time. All druggists, 50c, or mailed by Ely Bros., 56 Warren street, New York.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got a bottle of Dr. King's New Discovery and she soon began to mend, and was well in a short time." Infallible for coughs and colds, its most reliable remedy on earth for desperate lung trouble, hemorrhages, jaundice, asthma, hay fever, croup and whooping cough, 50c, \$1.00. Trial bottle free. Guaranteed by Koepfens.

Deep-seated coughs that resist ordinary remedies require both external and internal treatment. If you buy a dollar bottle of BALLARD'S HORE-ROUND SYRUP you get the two remedies you need for the price of one. There is a HERRICK'S RED PEPPER PORUS PLASTER for the chest, free with each bottle. Sold by A. C. Koepfens & Bros.

AT THE PICTURE SHOWS

The Orpheum.
A swell program for Friday and Saturday's change:

1. "Out from the Shadow." Biography. Since the death of their only child, Mrs. Vane gives herself up to morbid grief, to the neglect of her husband and he seeks companionship outside his own home and in time the wife appreciates his indifference. However, the awakening has come too

late for her husband has formed an attachment for a vivacious young widow.
2. "The Cross of Pearls." Melies. Gabriel confesses the crime. Conscience strikes deeper and the dastard suffers untold agony lest an innocent man be punished for the crime of

slaying his brother.
3. "Their Tiny Babies." Essanay. A decidedly novel comedy photoplay which will prove exceptionally pleasing to the children.
4. "Tis Better to Have Loved and Lost." Essanay. A pleasing comedy. Pretty Kitty sends Smaxon and Jim Stack off to await her under the old oak tree. When she will elope with them. Of course neither knows of each other. Kitty then elopes with Tom.

5. "Saved by the Flag" Pathe. A conventional love story with the scene laid in Mexico and a chase as its chief feature. A young American wins the affections of a girl from her Mexican lover, who is a general in the army.

The Pastime.

Special announcement, Friday and Saturday, December 1 and 2:
"Auld Lang Syne." Vitagraph. 2000 feet. This two-reel picture is a picturesque story of the highlands of Scotland based upon the sweet and noble sentiment of "Auld Lang Syne." Bobbie Burns, who wrote the poem, immortalized himself in this inspiration. See this pretty and impressive production for yourself.
"An Island Comedy." Edison. This story of an estrangement between two lovers, has its happy ending on a beautiful island. The trouble came through a young man growing confident over his position with the girl. He strikes a bargain with the young woman's brother and the girl is left alone upon the island and is rescued by the young man.
"The Tale of a Soldier's Ring." Selig. Marion Dunlap is betrothed to Robert Alroy, who places a diamond ring upon his sweetheart's finger. The civil war has begun and Marion returns the ring to Alroy, which ends the engagement when Alroy enlists in a union regiment. After many thrilling and stirring war scenes peace restores Marion to her lover.

Thanksgiving Football.

Providence, R. I., Dec. 1.—The Carlisle Indian team yesterday defeated Brown at football, 12 to 6. The scoring was done in the first half.
Ohio State 11, University of Cincinnati 6.
Western Reserve 5, Case 9.

Beware of Ointments for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.

Which for You?

COOKING

A Delight or a Drudgery

"Wear-Ever" Aluminum Cooking Utensils

Save Time, Health and Money

"WEAR-EVER" ALUMINUM COOKING UTENSILS are 99 per cent pure solid metal, no glass coating to chip off—cannot rust, do not contain and cannot form any poisonous substance, save your food—practically everlasting.

To Housewives of Pendleton

Attend our free demonstration, all this week—even the oldest user of Aluminum utensils can learn new tricks from Mrs. Kearns, our expert direct from the factory.

Specials in "Wear-Ever" Aluminum Ware

- Lip Sauce Pan, regular 55c seller, special **30c**
- Stew Pan, regular 65c seller, special **35c**
- 2 pans for the price of one.
