GETS KIND OF WIFE HE WANTS

Man Fails to Divorce First and is Held for Bigamy.

Jersey City, N. J.—"Only the man who goes out a great deal and wants to show off his need of a young and beautiful wife. For me the 'plain' woman of mature age—a good cook and housekeeper," declared Louis Frederick Boeskel when he confessed today that he had taken a second wife, who was previously Mrs. Bernice Jerow, 40 years old, discarding his first wife, member of a well-to-do family and young and pretty.

The first wife of Boeskel was Miss Lillian A. Johnson of Fair Haven, N. J., 17 years old when they were married in August, 1906. She caused her husband's arrest in this city following his indictment for bigamy, it being alleged that the second marriage took place in Hoboken, on July 7 last.

His second wife was so dumfounded at his arrest that she collapsed.

James, who gave up his wild, romantic career long ago and has settled down to the quiet life of a respectable and peaceful citizen, owns a home here and has laid out a definite program of living which includes spending his summers on his Missouri homestead near Kearney, and his winters on his farm here.

His return is the first time since the death last spring of his mother, Mrs. Zerelda Samuels.

HANDS WOULD BURN LIKE FIRE

Could Lay Pin in Cracks. Four Long Years of Eczema. Only Relief in Scratching. Used One Set of Cuticura Remedies. Hands Entirely Well.

"I can truthfully say Cuticura Remedies have cured me of four long years of eczema. About four years ago I noticed some little pimples coming on my little finger, and not giving it any attention, it soon became worse and spread all over my hands. If I would have them in water for a long time, they would burn like fire and large cracks would come. I could lay a pin in them. After using all the salves I could think of, I went to three different doctors, but all did me no good. The only relief I got was scratching.

"So after hearing so much about the wonderful Cuticura Remedies, I purchased one complete set, and after using them three days my hands were much better. To-day my hands are entirely well, one set being all I used." (Signed) Miss Etta Barber, R. F. D. 2, Spring Lake, Mich., Sept. 26, 1910.

No stronger evidence than this could be given of the success and economy of the Cuticura Remedies in the treatment of torturing, disfiguring humors of the skin. A single hot bath with Cuticura Soap and a gentle enointing with Cuticura Ointment are often sufficient to afford immediate relief in the most distressing cases and permit rest and sleep when all else fails. Cuticura Soap and Ointment are equally effective in preserving, purifying and beautifying the skin, scalp, hair and hands.

Although Cuticura Soap (25c.) and Cuticura Ointment (30c.) are sold throughout the world, a liberal sample of each, with 32-p. book on the skin and scalp, will be mailed free on application to Potter Drug & Chem. Corp., Dept. 27, Boston, Mass.
