YOUR GRAY HAIRS

A feeling of sadness accompanies the discovery of the first gray hairs, which unfortunately, are looked upon as heralds of advancing age, Gray hairs, however, are not always an indication of advancing age, for many people have gray hairs quite early in life. Of course, it is unnatural, and indicates that there is something wrong with the individual, and that Nature needs assistance in correcting the trouble. The same is true of ball that is constantly falling out and be-********
