Newsy Notes of Pendleton

Eight Pound Boy.
A boy babe, weighing eight and one half pounds, was born Tuesday evening, to Mr. and Mrs. William Pedro at St. Anthony's hospital. Mother and son are reported to be doing nicely.

Boy at Coffman Home.
A nine pound boy was born Tuesday morning to Mr. and Mrs. Ed Coffman of 511 Maple street, and all concerned are doing nicely.

Parents and Teachers Meet.
The Parent and Teachers' club of Hawthorne school will meet Friday afternoon at 3:30 at the Hawthorne school. All parents and people interested are invited.

Combine Was Burned.
Settlement was made today by J. M. Hayes for the loss of a combine on the ranch of W. W. Harrah on Wild Horse creek. The combine was burned Sunday night while standing in a shed on the Harrah ranch. It is believed the fire was started by an incendiary.

Body Was Shipped.
The body of Mrs. Edna Modrell, who died Monday evening at the hospital from the effects of typhoid, was shipped to North Powder for burial yesterday. The dead woman was the daughter of Mrs. Frank Tenbrunck of Haynes, Baker county. She was but 15 years of age and was brought to the hospital from Pilot Rock.

Warrant for Kidder.
Because he gave a check which the Farmers' Bank of Weston refused to cash for E. B. Kidder, has gotten into trouble with the district attorney's office. A warrant for Kidder's arrest was issued this morning by Deputy Pruitt upon complaint of S. C. Jackson. The check was issued for the sum of \$2. It is believed the case will be adjusted without a trial.

Gillanders Is Partner.
Earl Gillanders, well known merchant prince of Meacham, has purchased a half interest in the local fuel business of Henry Kopitke and henceforth the firm name will be Kopitke & Gillanders. Gillanders formerly owned a half interest in the cold storage business conducted under the name of Henry Kopitke and he will henceforth be interested in the fuel business as well as in the ice and cold storage company.

Is Old Subscriber.
W. P. York, a prosperous stockman of the Galena country, who was here yesterday, has been a continuous subscriber of the East Oregonian for 30 years. He began taking the paper in 1880 when a weekly issue only was published. Mr. York makes a specialty of raising high grade stock and now has a herd of 50 shorthorn cattle, a type of cattle not generally found in eastern Oregon, which has long been given over to the raising of Herefords.

Gwinn Is Mayor-Elect.
J. H. Gwinn, secretary of the Round-Up and grand vice chancellor of the Knights of Pythias, is getting more glory than is justly his. In yesterday morning's issue of the Portland Oregonian Mr. Gwinn's picture adorns the page devoted to mayors-elect and he is heralded as Grant B. Dimlek, mayor-elect of Oregon City. The same mistake was made by the Oregonian last spring when both Messrs. Gwinn and Dimlek were elected to posts in the Knights of Pythias grand lodge. Seemingly the error was not discovered by the Portland paper and it still sets forth the Round-up secretary as being the man from Clackamas county.

W. C. T. U. Meeting Postponed.
The regular monthly meeting of the Pendleton Y. branch of the W. C. T. U. set for December 8, 1911, has been postponed until January 14, 1912, on account of the many duties incumbent upon its members at this season. The "Y" is determined to make its first regular session a grand success and is therefore delaying the meeting until all the members can get into line and devote their entire energies to making it "go." Watch for the announcement in January. This meeting is going to be worth while, so "Y's" work for it.

R. ALEXANDER IS HEAD OF FAIR BOARD

At a meeting of the district fair association held this afternoon at the office of Secretary Thomas Fitz Gerald, R. Alexander was elected as president of the fair board for the coming year. G. L. Hurd of Stanfield was elected as a new member of the board. Another vacancy is yet to be filled and an adjourned meeting will be held this evening to fill the position.

Miss Mabel Prendergast and Messrs. James Daniel and C. H. Hudemann joined the day classes at the Pendleton Business College yesterday.

Wreck Fatal to Six.
Pittsburg, Dec. 6.—Six persons were killed and several injured today when a Pennsylvania passenger train ran into a freight wreck at Manor.

The Cosy.
Our programs are always good—here's one still better. If you're a better, it's a safe bet you better see this.

The Review of the Fleet in New York by President Taft. Solax. On November 1 and 2 there were assembled the largest fleet of sea-fighters ever seen, 102 ships in all, ranging from the 26,000 ton Utah, largest battleship in the world, down to the torpedo boats. The new "Maine," flagship Connecticut; big guns on the Vermont and how they are worked; the submarine; the feet passing in review before President Taft's yacht "Mayflower," firing the presidential salute; largest collier in the world; illumination at night; fleet leaving New York Harbor, Salute of empyya New York Harbor, Salute of Liberty; "When the leaves fall." Eclair. A beautiful story. The doctor said the boy's mother would die when the leaves fall. He tried to tie the leaves on the trees and fell. Kind people then sent them south where his mamma would not die.

"The Higher Law." Thanhouser. Thanhouser Kid is seen in this picture. The story of a mother who left her child and went out into the world. By a strange turn of fate she became rich and came back for her child. They asked her to pick her out from a group of children but she was unable to do so. In despair she turned away, but the great power of love drew the child and led her to her "The Fall of a Knight." Rex. He was only a writer, but wanted to marry a rich girl, so pretended he was a nobleman. Dad fell for him, but the girl's lover recognized the bogus count. Then as the night fell, the Knight fell—professed by dad's foot. Dad's blessings fell on the two lovers who fell into each others' arms.

HOT CAMPAIGN AT UMATILLA; PROGRESSIVES WIN

A. Saylor, who received a majority of two votes.

J. A. Stephens was elected city marshal by a good majority.

A REMARKABLE RECORD

Everybody Participates and Money Surely Plentiful.

Never in the history of piano selling in Oregon has been such a rush of eager buyers as was witnessed at the Snyder Music Co., salesrooms yesterday, and the immense number of fine pianos sold during the day has again demonstrated very clearly that all this complaining about hard times, no money in the country, is more idle talk; when a profitable opportunity for investment is presented there are buyers galore—money plentiful and no real bargains need ever go a begging. Many of the sales yesterday were for all cash, not withstanding the fact that all purchasers could have taken advantage of time payments if desired.

The store at 813 Main street was quite jammed several times during the day and both Mr. Snyder and Mr. Bender the factory's general agent were compelled to wait on customers, and even at that, many callers had to go away unsatisfied.

The day's record of sales, up to 11 o'clock last night was almost a carload of pianos, besides a lot of organs, square pianos, and among them was a superb Chickering grand besides several other of the most expensive instruments.

At the rate pianos were sold yesterday the management will have nothing to ship and will be through with the sale in seven days instead of the allotted ten or twelve.

the value of irrigated land in that vicinity and regarding the productive powers of the land in the reservoir site.

Local men who upheld the Stanfield people in their claims were James Johns and T. G. Montgomery. The latter was a member of the Commercial club committee that had worked for the extension and declared that in view of recent events he was willing to change his position regarding the subject.

Herbert Boylen, H. H. Gilbert and others from the Pilot Rock country were also in attendance at the meeting, but took no part in the discussion.

The Message to Taft.
The following message to President Taft has been drafted by Secretary Jack Keefe and will be forwarded tonight, as a night letter to the president.

Pendleton, Ore., Dec. 6, 1911.
William H. Taft President of the United States of America:
As we are the largest commercial organization in Umatilla county and are unselfishly interested in the west extension of the Umatilla project now under consideration by yourself and the secretary of the interior, the various interests of the county have asked us to further consider our action in the matter upon December 12, 1911, when the partisans and opponents will place their respective arguments before us. We shall notify you immediately of our decision.
