AT THE PICTURE SHOWS

Orpheum.
Excellent program for Friday and Saturday:

- "A Victim of Circumstances." Biograph. It is hubby's birthday and the wife interviews a jeweler. Her action arouses suspicion and the husband follows her and witnesses the meeting between her and the clerk. All would have been well, but the clerk encounters the husband.
- "Their First Divorce Case." Biograph. The famous Biograph sleuths nearly cleared up another case. Mrs. Grimm catches Mr. Grimm strolling in the park with a chorus girl. The sleuths follow them, thinking the wife is the woman mentioned.
- "Somebody's Mother." Lubin. Jimmie, the "newsie" plays an important part in this pretty story.
- "As Fate Deceared." Pathe. A young monk is unhappy under the restrictions of the monastery and he escapes. He marries, enters business and is remarkably successful at first. Reverses come. His child dies, his business fails, his health is broken.
- "A Painter's Idyll." Selig. A unique picture showing an artist at work in that wonderful, Yosemite valley. In making this picture an attempt has been made to show the methods of the painter at his work.

The Pastime.
The home of good pictures. Friday's change of program:

"The Long Road." (Biograph) This picture is full of beauty from first to last. The first scene shows a little quarrel of two lovers. Pride in both widens the breach till the man marries another and the girl enters a convent. Especially fine is the scene in the church during the wedding ceremony.

"Get Rich Hall and Ford." (Essany). Hall and Ford are ingenious tramps. In order to make good they get away from the workhouse, they join in a marathon race and win the first prize.

"The Cure of John Douglas" (Lubin). Drink was ruining a most promising young man in John Douglas. His sweetheart finally married his rival, Henry Briston. Briston and some friends concocted a scheme to cure Douglas. He was led to believe that he had killed his best friend during a drunken brawl.

"Old Indian Days." (American Pathe). This film gives an almost perfect portrayal of life among the Indians before the pale faces took possession and throughout the film there is a charming love story.

The Cosy.
Our programs are always good—here's one still better. If you're a better, it's a safe bet you better see this.

The Review of the Fleet in New York by President Taft." Solax. On November 1 and 2 there were assembled the largest fleet of sea-fighters ever seen, 102 ships in all, ranging from the 24,000 ton Utah, largest battleship in the world, down to the torpedo boats. The new "Maine,"

flagship Connecticut; big guns on the Vermont and how they are worked; the submarines; the fleet passing in review before President Taft's yacht "Mayflower"; firing the presidential salute; largest collier in the world; illumination at night; fleet leaving New York Harbor, Statue of Liberty.

"When the leaves fall." Eclair. A beautiful story. The doctor said the boy's mother would die when the leaves fall. He tried to tie the leaves on the trees and fell. Kind people then sent them south where his mamma would not die.

"The Higher Law." Thanhouser. Thanhouser Kid is seen in this picture. The story of a mother who left her child and went out into the world. By a strange turn of fate she became rich and came back for her child. They asked her to pick her out from a group of children but she was unable to do so. In despair she turned away, but the great power of love drew the child and lead her to her.

"The Fall of a Knight." Rex. He was only a writer, but wanted to marry a rich girl, so pretended he was a nobleman. Dad fell for him, but the girl's lover recognized the bogus count. Then as the night fell, the Knight fell—propelled by dad's foot. Dad's blessings fell on the two lovers who fell into each others' arms. See the "Fall of a Knight tonight."

"The Robber Catching Machines." Eclair. An amusing trick picture. The two robbers were drawn by the big magnet and forced to run backwards and be caught.

AN EYEWITNESS.
Yesterday at the Snyder Music company's closing out sale a lady who was present says that she saw Mr. Bondix sell two fine pianos to two different parties in less than nine minutes by the clock.

Snyder Music company at 813 Main street is about the busiest place around Pendleton now-a-days. Customers may be seen there at almost any hour of the day and evening making arrangements to secure one of the many fine pianos and organs included in the great closing out sale.

Twenty-five dollars down and on many instruments only \$15 or \$10 down and \$10 a month and even less secures an elegant upright piano, brand new, at prices ranging from \$168 to over \$300, for choice of the remaining most beautiful cabinet uprights and grands ever displayed in this city.

SPORTS

Coast League Meets.
San Francisco, Dec. 7.—The annual meeting of the Pacific Coast Baseball league was held last night and today. Questions of umpires and of the make of balls to be used were discussed, but no decision was reported.

The principal subject decided was that the McCredies may continue to have a Northwest league team in Portland for the season of 1912. There was no opposition to this plan. Formal action awarding the pennant for the season of 1911 to Portland also was taken. The flag will be presented at the opening game in Portland.

Al Baum was elected president for the term of five years.

The season will open April 2 and will continue until October 27. Oakland will begin at San Francisco, Portland at Los Angeles and Vernon at Sacramento. The opening game at Portland will be played between San Francisco and Portland, the first time that these teams have met in an opening engagement at Portland.

Italian Holds Title
New York, Dec. 7.—Giovanni Ralcevitich, holder of the Italian heavy-weight wrestling title threw six heavy-weights in less than 20 minutes actual wrestling time at Madison Square Garden last night. The champion undertook to throw all the men in two hours time, catch as catch can style, with only a moment's rest between bouts and to forfeit \$1000 to each man if he did not throw him in twenty minutes.

Flynn to Meet Caponi.
Salt Lake City, Utah, Dec. 7.—Jim Flynn of Pueblo has agreed to a match with Tony Caponi to be held here December 27. The men probably will fight ten rounds.

GIRLS WILL DECLAM.

Inter-class Contest for Prizes During Winter Short Course at O. A. C.
Corvallis, Ore.—The girls at the Oregon agricultural college will compete in an inter-class declamation contest under the auspices of the department of public speaking during the winter short course. The tryout will be held December 16. Two prizes have been secured from local merchants for the two best girls orators, one a kodak and the other a ruff neck sweater. This with the inter-class debate to be held between the freshmen and sophomores is the first attempt at class declamation and debate here, and the present interest manifested indicates a success for this method of public speaking.

ATTEND TO IT NOW

Saving Money Is Making Money, and It's Now or Never.
Please bear in mind that it will be necessary for you to attend to that piano matter without delay, if you would save more than enough money in a purchase of a fine instrument to fairly educate the whole family in music. Dozens of your neighbors have taken advantage of the opportunity during the past week to step in and get a first class piano for its actual intrinsic worth, without paying a dollar profit to any middleman or agent. Do not let this opportunity slip by, and then later on be obliged to line up some dealer's pocket with a good snug profit which ought to remain in your own. Every instrument sold here during this sale is absolutely guaranteed, and shall prove a perfect gem to its owner or money back. Come in tonight or tomorrow, sure, and take choice. If we are busy, await your turn. You will be well paid for the waiting. You can buy two pianos of us now for the price of one, or one at half price. We mean business.

HANDICAPPED.
This is the Case With Many Pendleton People.
Too many Pendleton citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills are for sick kidneys. The following statement should convince every Pendleton reader of their efficiency.

Mrs. Thomas Burns, 803 W. Birch street, Walla Walla, Wash., says: My back caused me much suffering and it was almost impossible for me to attend to my housework. The secretions from my kidneys also bothered me a great deal and were very unnatural. Soon after I began taking Doan's Kidney Pills these difficulties were relieved, and my kidneys were restored to a normal condition. My relatives also think highly of Doan's Kidney Pills, having used them with benefit.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States.

Remember the name—Doan's—and take no other.

Don't Neglect That Cold

Chronic catarrh, often a most loathsome disease, in its first stage merely is a cold in the head. When neglected this becomes worse and worse until what might easily have been cured becomes a chronic disease simply because it was not checked in time. It doesn't pay to neglect a cold.

We have many good remedies for colds and catarrh on our shelves but we have never found a remedy that gave such instant and positive relief as Mentholiptus.

We have tried this ourselves and our friends have tried it and the report is the same from everybody—the effect of Mentholiptus is instan-

taneous. Just inhale the pleasant vapor and use a little of the soothing saline and the cold disappears. No more suffering from inflamed tissues, splitting headaches watery eyes and all the other disagreeable accompaniments of a hard cold, if you use Mentholiptus. We are so sure that Mentholiptus will give you instant relief that if the first package does not do exactly as we say it will not cost you a cent.

Better drop into our store today and find about this wonderful new remedy for colds and catarrh. Pendleton Drug Co.
