many a housewife often incurs needless expense. For example: in the making of pastry, butter will often be used, which, at its cheapest, is expensive and gives no better results than can be obtained by the use of Cottolene-the vegetable-oil cooking fat; yet Cottolene costs about the same as lard, and one-third less is required than either butter or lard. Lard is still more expensive because it contains hog fat and leads to indigestion. You can save on your doctor's bills, as well as on your cooking fat, by using Cottolene in all your shortening and frying.

6T. JOSEPH, MICH. Mrs. Frank Marti, 417 Church St., says: "Foley's Honey and Tar Compound saved the life of our baby boy. He contracted a severe bronchial trouble and coughed violently and had spells of coughing and gagging and turned black in the face. I always had great faith in Foley's Honey and Tar Compound and started giving it to the child. In a short time he was relieved and finally the cough was entirely stopped and the coughing and gagging spelle ccased both-ering him. He got well in a short time, gaining in weight and getting robust. Foley's Honey and Tar Compound has many times aved us trouble and this with the wonderful cure in baby's case shows its great merit. We are never without Foley's Honey and Tar Compound. We always keep it in the house." WANTED-Lace curtains to laundry. Work done with especial care. Phone Red 2521.

Kills the Dandruff Germ

and Makes the Hair Grow

**Restores Gray Hair to Natural Color** 

FEW people are aware of the number of Dandruff Germs

I that infest the human hair and scalp. The gorms which locate themselves in the follicle or sack which envelopes the

root of the hair, spend a lazy existence in sucking up the juices which should go to keep life and strength in the hair. These germs cannot be seen by the naked eye, but with a magnifying glass of from 300 to 400 diameters the sperce of this hair destroyer may be seen in masses, clinging to the hair.
