## HOGS DROP 15¢ AT NORTH PORTLAND

MARKET SHOWS WEAKNESS FOLLOWING HIGH PRICES

Firmer Tone Noticeable in Matton Division With Fair Receipts—General Cattle Market is Unchanged—Chicago Wheat Advances.

(From Wednesday's Journal.)  
Hogs are 15c lower today at North Portland. While the run for the day was only an average one, the market was weak and the depression was so deep that prices were cut to the quick. Receipts recently have been so liberal from the local territory that killers' wants for the immediate future are well taken care of. The big run of 1540 head on Monday, which broke the local record, gave to killers all the stock they needed. Since then the daily offerings have been good.

Top hogs sold at \$6.65 in the yards this morning and trade was slow even at the reduction. Run for the day was 259 head compared with 439 last Wednesday.

North Portland swine trade today:  
Best packers ..... 6.65  
Good heavy ..... 6.60  
Good light ..... 6.30@6.60  
Rough and heavy ..... 6.00@6.25  
Poor and heavy ..... 5.00@6.25

**Sheep and Lambs Firm.**  
There was a firmer tone in the mutton trade at North Portland today. Receipts were quite fair but demand for quality was excellent. One lot of lambs sold at \$5.25, but as they were weighed off cars this means really \$5.10 on the fill, which was 10c above the previous quotation.

Sheep values at North Portland:  
Select lambs ..... 5.10  
Choice lambs ..... 4.75@4.80  
Common lambs ..... 4.00@4.25

Fancy ewes ..... 3.45@3.55  
Ordinary ewes ..... 3.00@3.25

**Speyed Heifers Sell Higher.**  
An extra fancy lot of speyed heifers from Tygh valley sold at \$5.25 on the local market today but the general situation in the cattle trade was firm at unchanged values.

About 15 loads of Christmas stuff is due in the yards late today and naturally this will bring a sharp advance or premium above the regular market. Shipments will be from Durkee, Baker, Echo, Moro and one load of steers from Dillon, Montana.

At Chicago there was a steady tone in the cattle trade with no change in prices.

**Chicago Wheat Advances.**  
Chicago, Dec. 14.—There was a further advance of 1-8 to 7-8c a bushel in the price of wheat at the closing yesterday after an opening unchanged at 1-4c higher than Tuesday.

While foreign markets as a rule were little changed in price, the situation at Buenos Ayres is attracting attention. Both January and February wheat there shows a sharp rise for the day. The strength is said to be due to the heavy covering of shorts on account of the sharp advance in Rosario futures.

**Sore Feet? Never Again After Using TIZ—**  
Good-bye sore feet, aching feet, swollen feet, sweaty feet, smelling feet, tired feet.
