City of developing a very valuable and desirable water power in connection with the diversion of the waters of the John Day. It was furthermore recommended in these resolutions that the reclamation engineers make a thorough investigation of these conditions.

By-laws and constitution submitted by the committee appointed at a previous meeting were read and adopted, and the following officers of the permanent organization were elected: J. N. Burgess, president; O. D. Teal, first vice president; J. Guderian, second vice president; G. L. Hurd, secretary; George Done, assistant secretary; L. C. Sharp, treasurer.

It was voted to request the state water board to visit this section of Umatilla county in order that they may make a thorough personal investigation of conditions, and also that a committee from the board of army engineers be invited to inspect our local conditions and in this way become better acquainted with the rights and needs of the irrigators of Umatilla county.

There was an attendance of seventy-five farmers and residents of this vicinity at the meeting and much interest was manifested.

There were ten representative men from Pilot Rock at the meeting of the Umatilla Waterusers' association. They were met at the train with carriages and taken for a drive about the Umatilla meadows and through the furnish project, being much surprised at the progress that has been made in the improving of lands in this vicinity, especially the splendid growth shown in the young orchards adjoining town.
