Mrs. Frank Frazer was hostess during the week to the Duplicate Whist club.

Mrs. W. E. Brock is this afternoon hostess to a large number of ladies of the city at her home, 129 North Main street.

were guests of Rev. and Mrs. Charles Quinney Thursday and Friday. They left last evening for Baker City.

Brook Dickson left Friday on his return to the University of Oregon and he will be followed during the next few days by other students who have been home for the holidays.

At the Methodist Episcopal parsonage in this city Wednesday evening at 5:30, Rev. N. Evans united in marriage Mr. George W. Lambirth and Miss Pearl Blanche Beydler, in the presence of a few intimate friends. Mr. Lambirth is a successful young farmer in the Stage Gulch country and the bride is a popular young lady in that vicinity.

At the bride's residence, 410 E. Webb street, Tuesday afternoon at 4 o'clock in the presence of a group of relatives and friends, Mr. John W. Jordan and Mrs. Mary S. Clow were united in marriage by Rev. N. Evans. Both parties are well known in this city, where they will make their home.

One of the recent social events of note was the "at home" given on the afternoon of Thursday, December 21, at which Mrs. Robert N. Stanfield was hostess to a large number of the society ladies of the city. The afternoon was very pleasantly spent and the charming hostess was complimented upon the success of the week's principal formal event.

One of the social events that is being anticipated pleasantly is the grand opening of the new quarters of the local lodge of the Loyal Order of Moose, which will occur on the evening of New Year's Day and to which the public is invited. The Moose have splendid rooms in the Matlock-Brownfield building in which they feel a pardonable pride. The opening will consist of a dedication address by J. T. Hinkle of Hermiston followed by a dance in the ball room.

One of the most elaborate social functions of the season was the annual dancing party given by the alumni of the Lambda Sigma Fraternity last Wednesday evening in the Eagle-Woodman hall. The spacious hall was most artistically and beautifully decorated in the fraternal colors of blue and white and with festoons of evergreens. Mr. Richard Thompson and Miss Laura McKee led the grand march, following which the fifty or more couples present participated in a most joyous succession of dances to the strains of splendid orchestral music.

PHYSICIAN ADVISES CUTICURA REMEDIES

For Eczema, Patient's Wrist and Shin Itched Like Poison. Scratched Until They Bled. Says: "Cuticura Soap and Ointment Cured Me."

"Four years ago I had places break out on my wrist and on my shin which would itch and burn by spells, and scratching them would not seem to give any relief. When the trouble first began, my wrist and shin itched like poison. I would scratch those places until they would bleed before I could get any relief. Afterwards the places would scale over, and the flesh underneath would look red and feverish. Sometimes it would begin to itch until it would waken me from my sleep, and I would have to go through the scratching ordeal again.

"I consulted my physician in regard to it, and he pronounced it "dry eczema." I used an ointment which the doctor gave me, but it did no good. Then he advised me to try the Cuticura Remedies. As this trouble has been in our family for years, and is considered hereditary, I felt anxious to try to head it off. I got the Cuticura Soap, Ointment and Pills, and they seemed to be just what I needed.

"The disease was making great headway on my system until I got the Cuticura Remedies which have cleared my skin of the great pest. From the time the eczema healed four years ago, until now, I have never felt any of its pest, and I am thankful to the Cuticura Soap and Ointment which certainly cured me. I always use the Cuticura Soap for toilet, and I hope other sufferers from skin diseases will use the Cuticura Soap and Ointment."

(Signed) Irven Hutchison, Three Rivers, Mich., Mar. 16, 1911. Although Cuticura Soap and Ointment are sold throughout the world, a liberal sample of each, with 32-p. book on the skin and scalp will be sent free, on application to Roter Drug & Chem. Corp., Dept. 17A, Boston.
