The Rayo Lamp

The Lamp That Saves The Eyes

Children naturally never think of possible strain on their eyesight when poring over a fascinating book.

It is up to you to see they do not ruin their young eyes these long evenings by reading under a poor light.

The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price.

It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.

Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the

LIVESTOCK PRICES ARE FORCED HIGHER

KILLERS BID AGAINST EACH OTHER FOR STOCK

First Sheep for a Week Are Offered at North Portland and Trade is Brisk—Cattle 5 Cents Higher—Wheat Advances.

(From Friday's Journal). Livestock prices were higher for the day with buying of much better character and with killers forced to bid against one another for the first time in many days.

The trading was conspicuous for the reason that it was the first day for a week that there were any sheep offered for sale at North Portland. Naturally this brought forth all the buyers in that line and competitive bids are as a rule higher.

Lambs sold this morning at \$5.50 weighed off cars which really means \$5.35 on the fill. Even this is an advance of 25c over the previous high mark.

Sales of wethers were made during the morning at \$4.50. Two lots were moved at this figure, one being weighed off cars and the other was sold on the fill.

An advance of 25c was forced in the price of best ewes when one lot was sold this morning at \$3.75 compared

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night. The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardul.

Now, I am entirely well. I am sure Cardul saved my life. I will never be without Cardul in my home. I recommend it to my friends."

For fifty years, Cardul has been relieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardul. Your druggist sells and recommends it. Get a bottle from him today.

FOR THE CHILDREN ALSO FOR GROWN PERSONS QUICK - SAFE - RELIABLE NO OPIATES NO NARCOTICS FOLEY'S HONEY AND TAR COMPOUND

A COMMON COLD neglected may go quickly into CROUP, BRONCHITIS, or PNEUMONIA which often means a sudden fatality. Keep FOLEY'S HONEY AND TAR COMPOUND always in the house and give at first sign of a cold. Refuse substitutes.

John Persons, Stewart, Ohio, writes: "We use Foley's Honey and Tar Compound as our best and only cough remedy. It never fails to cure any of my seven children of cough. My 2-month-old baby has had a most severe cough which our Doctor said he could not cure and that Baby would surely die. Several of our relations and neighbors had gathered to witness the ending of the child's life. Two bottles of Foley's Honey and Tar Compound cured the child and he is alive and well today."

with \$3.50 as the previous best price. Receipts Too Small.

There was a fair showing in the mutton division so far as receipts for the day were concerned, but the total offerings of 475 head were scarcely sufficient to fill the wants of one killer, not alone supplying the entire trade.

Cattle Market Nickel Higher.

A further advance of 5c was forced in the cattle division of the North Portland market today. There were arrivals of 185 sheep during the day compared with 106 last Friday.

Top steers sold at \$6.15 this morning, one lot being weighed off cars at this price, while another was sold regularly. The market for cattle is in an extremely critical condition so far as killers are concerned. With the former huge surplus entirely worked off and with their coolers well sold out, butchers have been forced to meet the shippers and pay the advance asked.

The fact that competitive markets for cattle have recently shown a liberal advance, means that killers of this section need quite a still higher price before they will be able to divert cattle in this direction.

Hog Market Stationary.

While there was a small offering of hogs in the local yards during the day, the market did not reflect improvement. Only one sale was reported this morning, this being at \$6.45.

There was a weaker tone in the hog trade in the east today, but top limits are unchanged. Therefore it is still costing Pacific northwest killers \$7.25 to land Nebraska swine in their pens.

Top price at South Omaha today was \$6.15 with a run of 8500 head.
