Young Mothers

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both she and her coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles, vessels involved, and keeping the system in good condition, brings the woman to a crisis in splendid physical condition. The baby too is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

LIVESTOCK MARKET IS STILL FAVORABLE

HOGS AND MUTTON EACH SHOW MARKED ADVANCE
Cattle Market Remains Firm With Receipts Fair—More Favorable for Cows and Heifers—Wheat Opens Higher But Reacts.

(From Wednesday's Journal.)
 Situation at North Portland is very favorable for all classes of livestock and in two lines advanced prices were the rule today.
 While there was a rather favorable showing of hogs in the yards this morning, buyers took hold of stock much more readily and this forced an advance of a dime in the price. Tops sold in a number of instances at \$6.85 during the day; this being compared with the best previous price at \$6.75.
 Hog offerings for the day for 411 head compared with none last Wednesday.
 Today's advance in the price of swine at North Portland was made in the face of a general decline at eastern and middle west centers. This fully confirms the reports printed in the Journal recently to the fact that hog values here have been out of line with those ruling at centers wherein the Pacific northwest packers purchased a large per cent of their requirements.

NO CASCARET USER EVER HAS HEADACHE

A 10-Cent Box Will Keep Liver, Stomach and Bowels Clean, Pure and Fresh for Months.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.
 Salts, cathartic pills, oil and purgative waters force a passageway for a day or two—but they don't take the poisons out and have no effect upon the liver or stomach.
 Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.
 A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10 cent box from your druggist means inside cleanliness and a clear head for months. Ask any of the millions of Cascaret users if they ever have headache.

 Wheat Reacts at Closing.
 Chicago, Jan. 4.—There was a reaction in wheat market prices after a firmer opening. Closing was 5-8c off for May 1-2c for July and 1-5c for September, while the opening was 1-8 cent higher than Tuesday for each of the three deliveries.
 While early cables from Europe were favorable, the absence of any serious reports from Argentina was a factor of importance to the short crowd.

DOUBT CANNOT EXIST.

Investigation Will Only Strengthen the Proof We Give in Pendleton.
 How can doubt exist in the face of such evidence? Read here the endorsement of a representative citizen of Pendleton.
 Mrs. William McGregor, 711 Lillith street, Pendleton, Oregon, says: "I was troubled from childhood by kidney complaint. My hands and feet swelled, in fact my whole body bloated and I had a great deal of trouble from the kidney secretions. There was a dull pain in my back and sides and often after stooping, I found it difficult to straighten. Dizzy spells and headaches were frequent and my nerves were all unstrung. I rested poorly, and on arising in the morning was tired and devoid of ambition. As time passed, my condition became worse and it would be hard to fully describe the misery I endured. I spent many dollars for doctor's treatment and I also tried various remedies but to no avail until I procured Doan's Kidney Pills. This preparation restored me to good health. I do not hesitate to tell of my experience and I trust that my statement will be the means of helping other kidney sufferers."
 For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
