CASCARETS WORK WHILE YOU SLEEP

Salts, Calomel and Cathartic Pills Are Violent—They Act on Bowels As Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your liver, stomach and bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.
 Are you keeping clean inside with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.
 Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels.
 Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means a clear head and cheerfulness for months. Don't forget the children.

PARASITIC RICH BREED SOCIALISM

Must be Controlled Before Socialism Can Be Checked, Asserts Professor.

Washington.—Declaring that the "parasitic rich" in America must be controlled before the advances of socialism and anarchy can be checked, Prof. Henry W. Farnham of Yale, president of the American Economic society, announced himself in favor of a scientific investigation in that remarkable class that has instituted monkey dinners at Newport and all-night snake dances in New York.

"Many of this class walk our streets," said he, "eloquent, but unconscious arguments for socialism, terrible examples for the moralist, living sermons, rich material for the problem novelist, but still comparatively neglected by the economist, sociologist and statistician."
 "No need to mention names. Draw your own inference."

FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it. N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

When she picked up the firearm and realized that she was holding a weapon capable of killing six people, she uttered a scream that startled the audience. Then she dropped the weapon to the floor. Fortunately it was not discharged. The pistol had slipped from the pocket of L. C. Davis of Bradford, Colo., when he got up to leave. Two hours later he called at the theater for his weapon.
