

# LIVESTOCK MARKET IS VERY QUIET

## WEAKNESS IN MUTTON DIVISION STILL CONTINUES

Will Probably Keep up Several Days—Hogs Are Slightly Easier With Receipts Light—Cattle are Very Scarce—Wheat Trade Slow.

(From Friday's Journal.) Conditions in the livestock market were quiet today. There was only a single load available for the trade and this was quickly snapped up at the prices listed.

The weakness in the mutton trade, as reported exclusively by The Journal yesterday, was general and this feeling is likely to continue for the next few days. With top lambs worth no more than \$5.75 in the North Portland market, and with \$6.95 available at South Omaha, it is easy to see which way shipments will go from competitive territory unless the market here is willing to pay what others are offering.

To date this week there has been a run of perhaps 2325 head in the mutton trade; this being more than the full requirements of killers at this time. While there has been considerable increase in the consumption of mutton in the local market this season compared with a year ago, this has been due more to the extremely low values than to anything else. Considering everything mutton has been the cheapest stock available in the meat line for consumers, therefore those that wanted to make their money work on both sides naturally cut out the beef and pork and took to the mutton.

**Mutton Demand is Deserting.** Now with mutton prices almost normal the demand which formerly took hold owing to the low prices, is deserting and going into the beef and swine trade.

**Loss of Appetite** Is loss of vitality, vigor or tone, and is often a forerunner of prostrating disease. It is serious and especially so to people that must keep up and doing or get behindhand.

The best medicine to take for it is the great constitutional remedy **Hood's Sarsaparilla**

Which purifies and enriches the blood and builds up the whole system. Get it today in usual liquid form or chocolate tablets called "Sarsaparilla Tablets."

## NOT SALTS, OIL OR PILLS BUT CASCARETS

**No Odds How Sick Your Stomach; How Hard Your Head Aches or How Bilious—Cascarets Make You Feel Great.**

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping clean inside with Cascarets, or merely forcing a passage-way every few days with salts, cathartic pills or castor oil. This is important.

Cascarets work while you sleep; cleanse and regulate the stomach; remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10 cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

On the contrary, it is possible to have healthy, vigorous hair, of perfect color, by a few applications of this remarkable preparation.
