

## WOMAN SICK TWELVE YEARS

### Wants Other Women to Know How She Was Finally Restored to Health.

Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women."

"I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."

"—Mrs. BERTHA MUFF, 503 N. 4th Street, Louisiana, Mo.  
Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## LIVESTOCK MARKET SHOWS STEADINESS

### HOGS REACH PRICE OF OVER SEVEN DOLLARS

High Figure Due to Good Quality of Animals Offered—Steers Advance Ten Cent—Mutton on a Steady Basis—Wheat Advances.

(From Wednesday's Journal.) There was a steady tone in the live stock situation as a whole today. There were only fair offerings of hogs and cattle and only a handful of sheep.

There was a sale of hogs at \$7.05 at the North Portland market. The market for the general run of hogs, if showing any change, was weaker, but this one load brought prices that were better than anything heretofore obtainable.

That this was due more to quality than to any betterment in market conditions was the opinion of the trade generally. The load came from Blue Mountain, being shipped by William H. Steen. According to livestock interests the quality was the best ever seen in the local yards for many a day.

What was considered the general run of hogs of quality did not sell beyond \$5.75 at North Portland this morning. Outside of one load that brought the premium, owing to superior quality and extra good feeding, this was the top of the market. This would really mean a decline of 10c from yesterday.

### Cattle Market Steady Again.

While there were quite fair offerings in the cattle market at North Portland, trade was good. Buyers readily absorbed the offering, therefore indicating that there is no surplus on hand. There was an advance of 10c in steers with the sale of one lot at \$6.25.

### Run for the day was 135 head, compared with 521 a week ago.

### Sheep Trade Is Steady.

While the market for lambs continues rather weak and a fraction at present on a steady basis. Not lower, the mutton trade in general is enough stock came forward to fully test the sentiment of trade but additional supplies are due in time for trading tomorrow morning.

### Grain and Hay.

Wheat—Producers' prices nominal; track delivery club, 81c; bluestem, 84c; fortyfold, 82c; Willamette valley, 82c; red Russian, 80c; Turkey red, 82c.

### HANDICAPPED.

This Is the Case With Many Pendleton People.

Too many Pendleton citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills are for sick kidneys.

The following statement should convince every Pendleton reader of their efficiency.

Mrs. Thomas Burns, 803 W. Birch street, Walla Walla, Wash., says: My back caused me much suffering and it was almost impossible for me to attend to my housework. The secretions from my kidneys also bothered me a great deal and were very unnatural. Soon after I began taking Doan's Kidney Pills these difficulties were relieved and my kidneys were restored to a normal condition. My relatives also think highly of Doan's Kidney Pills, having used them with benefit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States.

Remember the name—Doan's—and take no other.

### ANGLER? NO AN ACTOR.

### Moving Picture Play in Park Disturbed by Mounted Policeman.

San Francisco.—Sergeant John McGehee of the Golden Gate Mounted Police was surprised the other day while he was riding past the Chain of Lakes to observe a man dressed in complete fishing togs, including dubber hip boots, and equipped with nice new tackle, attempting to fish in one of the small lakes in the west end of the park.

McGehee is used to meeting strange characters of all kinds while riding his rounds in the park, but a man who would try to fish in a lake where no fish existed was a new kind of crank, and McGehee did not know just how to accost him.

A new surprise awaited him, however, when he went down to the side of the lake to order the fisherman to leave. A wild looking Indian came dashing out of the bushes, causing McGehee's horses to almost jump into the lake.

Then McGehee realized that the fisherman was a moving picture actor, and he demanded the manager's permit. This the manager was unable to show, so McGehee, after warning him not to take any more pictures in Golden Gate Park without obtaining one, rode on.
