Worth of premiums with our trading stamps. With every cash purchase we give trading stamps, one stamp for each 10c you spend here. These stamps mean to YOU a saving of exactly 5 per cent of your purchase. No matter what you buy, Groceries, Dry Goods, Clothing, Shoes, Ready-to-Wear Garments, anything in our immense store. This is actually the greatest saving proposition for you, you'll ever find. Just stop and think for one minute, realize what a 5 per cent saving on all your living necessities really means to YOU. A saving of one dollar out of every \$20.00 you spend. How long, at this rate, will it take you to save enough to buy that long wanted set of dishes, or that needed clock, or maybe you've wanted some nice new silverware and didn't feel like sparing the cash for it. You can get it here for absolutely nothing by saving our trading stamps. This is too good a proposition for you to pass up—think it over, come and investigate—trade at The Peoples Warehouse this year of 1912. Be one of the wise ones and save that extra 5 per cent.
