UMATILLA SETTLERS TO PAY FOR RIGHTS

PETITIONS FOR GRADUATION OF PAYMENTS ARE DENIED

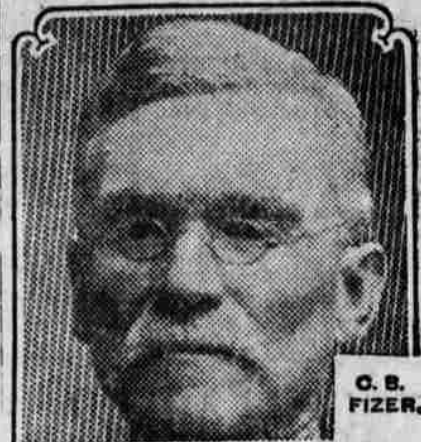

Land Office at La Grande Directed to Notify Water Users That They Must Be on Time With Cash or Suffer Consequences.

La Grande, Or., Jan. 27.—(Special.)—The prayer for graduated payments of water right charges upon the Umatilla project seems to have availed nothing, inasmuch as the commissioner of the general land office has directed the local land office to notify every water user within the project shown by the records of that office to be still owing any part of their water right charges up to and including that of December 1, 1910, that payment must be made of such charges at the local land office before March 1, 1912, or appropriate action looking to the collection of the charges under the water right contract if the land is not included in an entry subject to the reclamation act, or the entry, if subject to said act, will be promptly cancelled without further notice. In obedience to such direction, notices signed by Register Bramwell and Receiver Eberhard have been sent by registered mail to all such persons. There were over 350 registered letters, and the amount shown on all the notices sent aggregated a total of \$61,754.32. In former years, the public notices have been conditioned so that water right claimants were not delinquent until March 31, and payments made at Hermiston on or before that date have been recognized even if received at the land office after the date. While it is not announced that a different rule will be followed this year, yet the officious of the land office desire to attract the attention of all water users having payments to make that the dates used in connection with payments refer to the time the payments should be made at the local land office, and not to the date mailed or otherwise. This is especially important, it is announced, inasmuch as the commissioner has directed the local officials "to make every possible effort for accurate and prompt action in this matter." Therefore, promptly after March 1, 1912, a report will be made on each entry shown by the land office books to be delinquent on that date.

MOST CERTAIN WAY TO END A BAD COLD

RELIEVES SEVERE GRIPPE MISERY IN A FEW HOURS

It is a positive fact that a dose of Pape's Cold Compound taken every two hours until three consecutive doses are taken will cure grippe or break up the most severe cold, either in the head, chest, back, stomach or limbs.

You distinctly feel the cold breaking and all the disagreeable grippe symptoms leaving after the very first dose. It promptly ends the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, mucous catarrhal discharges, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars and contains no quinine, which we have conclusively demonstrated is not effective in colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

THE GREATEST SUCCESSFUL CURE OF ANY CHRONIC DISEASE WITHOUT THE KNIFE.

See our patients testimony. Dec. 1st, 1911. I am glad to tell the public what the Chinese Doctor did for me. I was nearly dead suffering from abscess in the stomach and three American doctors told me there was no hope for me except an operation which I felt would kill me. So we called Dr. Leo Ching Wo and tried his medicine and in two weeks I was out of danger. Took his wonderful medicine four weeks more and am nearly well.

I can cheerfully recommend his remedy to any one who is in need of a doctor, for he certainly saved my life. Mrs. Ida Herring, 215 West Alder St., Walla Walla, Washington.

We receive testimonials from our patients daily who have been cured. If you want to be cured, come and see us or if unable to come, write and enclose a two cent stamp for symptom blank. Write without delay. Address:—**LEO CHING WO, CHINESE MEDICINE CO.,** 14 E. Main St., Walla Walla, Washington.
