### MILTON BASKETBALL TEAM MEETS DEFEAT

#### PENDLETON COMMERCIAL CLUB PROVE MASTERS OF VISITORS

Locals Carry Game by Score of 41 to 2—Fruit Raisers Are Smothered at Every Turn by Their More Speedy Opponents.

Although they fought valiantly from first whistle to last, the Milton business men last night were unable to make any great showing against the local Commercial club basketball team and the game ended with the visitors having 2 to the home team's 41. At no minute of the contest was the result in doubt to the spectators in the gallery, the only question being how great a score the local players would roll up.

The game started off with a rush and for a few minutes went without any scoring but soon the Pendleton forwards began dropping the ball into the basket with great regularity, while the Milton forwards were unable to emerge from under cover long enough to sight the goal. The first half ended with the score, Pendleton 19, Milton 2.

In the second half, Graham, who had been playing guard for the locals, was put in at forward. Hartman retiring and Strand taking Graham's place. The new combination worked just as well as the old and before the final whistle blew, the local team had annexed 22 more points while the eastenders had drawn a blank.

For the local team point winning honors were about evenly divided between the center and the three men playing forwards, Farrell, Drake and Graham each secured five baskets from the field, while Hartman, besides securing the same number, threw a basket from the foul line. For Milton Calder threw the only basket. Despite the one-sidedness of the score, the game was interesting and exciting and there were moments real amusing.

The teams lined up at follows: Pendleton, Farrell, center; Hartman, Drake and Graham, forwards; Chessman, Graham and Strand, guards; Milton, Phipps, center; Calder and Shields, forwards; Morgan and McEwen, guards.

Jack Keefe served in the capacity of referee during the game and his decisions were satisfactory to both teams.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. Sold by all dealers.

### Newsy Notes of Pendleton

**Maccabees to Install.** The Knights and Ladies of the Maccabees are planning for public installation of their officers in the new Moose hall on the evening of January 30. The program will start at 8 o'clock.

**Funeral of Mrs. Lockwood.** The funeral of Mrs. Myrtle Lockwood, who died at St. Anthony's hospital Thursday night, was held from the Folsom undertaking parlors this morning at 11 o'clock.

**A Splendid Sermon.** The largest audience that has yet assembled to greet Dr. W. H. Selleck of North Yakima at the Methodist Episcopal church, listened to an eloquent and impassioned discourse last night, upon "Sowing and Reaping." Mrs. Landers sang a beautiful solo which was much appreciated. Song Service tonight begins at 7:30 p. m. and preaching at 8.

**Game Men Meet Again Tonight.** The members of the Umatilla County Fish & Game association will meet in formal session tonight and rumors have it that another stirring discussion will take place. The meeting on Tuesday night was an informal one and the same matters discussed at that time will be brought up again tonight for definite action.

**Pasco Again Defeats Pendleton.** The Pasco bowlers again defeated the local team last evening on their home alleys but the score indicates a close contest. The Pasco men made a total of 2456 pins to Pendleton's 2445. For the local men Virgil Bott scored high with 529 with William Hanscom second. Schultz of Pasco was high score maker, his total being 540 and the only other man of the Pasco team to score over 500 was Lankhard with a total of 501.

**Will Start Garbage Wagon.** Pendleton will have a garbage wagon such as large cities have after the first of the month, A. L. Hutchison having made arrangements to give local people such an accommodation. Because the removal of garbage daily is a step toward cleanliness and sanitation and will make for a city beautiful, Dr. I. U. Temple, the health officer, has endorsed Mr. Hutchison's proposition.

**Was Comrade of Dead Chief.** Will Moore, local representative of the Pacific coast elevator company, is an old time friend of Robert Wolf, assistant fire chief at Walla Walla who was killed in yesterday's fire. Back in '86 and '87 Messrs Moore and Wolf were both members of the Walla Walla volunteer fire department and were members of a horse racing team. They were the two "tongue men" on the team. Because of his acquaintance with the dead man Mr. Moore was exceedingly sorry to hear of Wolf's death. Wolf was a member of the Walla Walla paid department for many years.

#### POULTRY EXHIBIT CLOSES TONIGHT

(Continued from Page One.) Earl Williams of Milton was selected to act as superintendent of the show again because of the satisfaction he has given in that capacity this year. Miller Purvis was also re-selected to act as judge next year, his work at the show just closing having been of a high order.

The show next year will be held during the third week in January just following the Walla Walla exhibition. An important ruling was made at the meeting to the effect that all entries must be in by the Saturday before the show opens in order to avoid confusion resulting from entries after the show has opened.

**More Cups Won.** F. M. Barrows of Walla Walla, succeeded in capturing the cup offered for the best pen of Minorcas entered, his entries being of the white species. George Speight of Hubbard won the Minorca club cup with N. A. Humphrey of this city a close second. J. E. Duke carried off first honors for the best pen of bantams but he won out over W. F. Cargill of Clarkston, Wash., only by 3-10 of a point.

#### UMATILLA MISSIONARY AT-TENDS CALIFORNIA MEETING

Reverend J. M. Cornelson, accompanied by his son, Vernon Purdy, left this morning on the local en route to San Francisco. Mr. Cornelson is going to attend and take part in a two days conference of Home Mission chairmen of the Pacific coast states, he being the chairman of the home mission committee of the Presbytery of Pendleton, covering the central, east Oregon country. There will be about fifty chairmen present from Washington, Idaho, Oregon, Nevada, California, Arizona, New Mexico. Also the field secretary, Dr. W. S. Holt and one of the board secretaries from the New York headquarters.

The conference is looking toward a larger and more efficient home mission work in all states west of the Mississippi. A similar conference closed this week in Kansas City for the Rocky mountain states.

Before returning Mr. Cornelson hopes to visit the San Francisco Theological Seminary at San Anselmo, Cal. where he finished his theological studies before coming to his present charge and incidentally to renew many old acquaintances in and around the bay cities. They will be gone about ten days.

Rev. Cornelson will spend Sunday in Portland with Rev. R. J. Diven, formerly a pastor of the local Presbyterian church.

**Darrow Meets Labor Chiefs.** San Francisco, Jan. 27.—Clarence Darrow is in San Francisco and will hold a conference with officers of the State Building Trades council, before returning to Los Angeles. Whether Darrow has decided to join in the de-

fense of the Tvietsmo, Johansen and Clancy cases, or whether he is merely arranging a final settlement in the McNamara cases is unknown.

**Labor Leader Indicted.** Indianapolis, Ind., Jan. 27.—That indictments will be returned Wednesday against several prominent labor leaders, when the probe into the alleged country-wide dynamiting plots will likely end, was stated today by District Attorney Miller. He said the grand jury has practically completed its labors.
