

S.S.S. HEALS OLD SORES

Before any sore can heal, the cause which produces it must be removed. As long as the blood, from which our systems receive their necessary nourishment and strength, remains impure and contaminated with disease germs, any old sore on the body will remain open, and resist every effort made to heal it. The nerves and tissues of the flesh around the places are continually fed with unhealthy matter and nature is simply disposing of the poison by draining it from the system through the sore. The only cure for an old sore is a thorough cleansing of the blood, entirely ridding the system of the cause. S. S. S. heals old sores by removing every particle of impurity from the circulation. It goes down to the very bottom of the trouble and so completely cleanses the circulation that there is no longer any impurity to drain through the sore, but the place is once more nourished with rich, healthful blood. S. S. S. heals the sore from the bottom, the place soon fills in with healthy, firm flesh, the tenderness leaves, all discharge ceases, the skin regains its natural color and when S. S. S. has thoroughly cleansed and purified the blood the place is permanently healed. Book on Sores and Ulcers and any medical advice free to all who write.

Wreck Narrowly Averted.

While going to school Ollie and Jesse Prindle saw a loose rail on the tracks of the O-W. R. & N. just north of the O-W. R. & N. depot. They hurried to the depot and warned the section foreman. The foreman, knowing that the fast mail was nearly due, hurried down the track and flagged the train, which came to a stop. It took only a short time to repair the damage. Had the two boys not noticed the rail the fast train would have gone into the ditch.

INDIGESTION, GAS, HEART-BURN OR DYSPEPSIA VANISH

Five Minutes After Taking a Little Diapepsin Your Stomach Will Feel Fine Again—Eat Your Favorite Foods Without Fear of Distress.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only 50 cents and will thoroughly cure your out of order stomach and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50 cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why Diapepsin always relieves sour, out of order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite, but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery.

Get some Pape's Diapepsin now, this minute, and forever rid yourself of stomach trouble and indigestion.

Clifford L. Morgan was a visitor on the project Friday and Saturday. He accompanied Otis Sprague here from Pendleton.

Mr. and Mrs. Strohm will leave that place in a few days for Hermiston where they will make their future home.

Willis M. Hubbs is a visitor on the project. He is from Silverton, Oregon, and owns 20 acres here. Mr. Hubbs expects to come to Hermiston in the next few weeks to stay and improve his land. He is a carpenter by trade.

PRESIDENT CAMPBELL OPPOSED TO SLANG

University of Oregon, Eugene, Ore.—In an address at assembly, President Campbell started a movement towards the eradication of slang and grammatical errors from the vernacular of the students of the University of Oregon. President Campbell's plan is to have the instructors in the English department record all the common errors in speech on the campus and to set the students to watching each other's conversation for their occurrence.

In his short talk at the assembly hour, President Campbell said: "I do not believe that the language in use upon the Oregon campus is in more need of purifying than at other colleges, but undoubtedly much could be gained by doing away with many little errors that creep into our speech unobserved. By cooperation between the faculty of the English department and the students it will not be long before the vernacular of the University will be purified."

DON'T PULL OUT THE GRAY HAIRS

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and simplants the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by special agent, Pendleton Drug Co.
