DRAYMEN MAY WIN IN THEIR FIGHT

ORDINANCE INTRODUCED PROVIDING FOR LICENSES

Council Authorizes Advertising for City Also.

The fight which the regular draymen have led to force certain of their minor competitors to pay the same licence fee required of them resulted in the introduction of a new ordinance at the regular council meeting last night. The ordinance provides that every vehicle carrying passengers, baggage or material of any ind for hire shall be taxed \$20 annually. Certain exceptions are, however, made in favor of farmers hauling grain, teams hauling freight out of the city, or contractors hauling materials for city improvement.

Advertise for Fire Alarm Bids, Upon the reading of specifications for a twenty-box fire alarm system last evening, the council voted to advertise at once for bids on the same and upon the suggestion of Councilman Dyer, voted also to ask for bids upon a fire whistle and apparatus in order that the council might make a choice between a bell and whistle.

Mayor Matlock last night asked that the street committee take action immediately upon the suggestion of Captain Charles A. Murphy that the city improve its street leading to the asylum The mayor declared himself to be one of the heaviest property owners along Jackson street and that he would willingly stand his share of the expense necessary for improve-
