**At the Oregon Theatre.**  
**A Rare Treat.**  
Manager Matlock of the Oregon theater, says he has one, as he has just closed a contract with The LeMoine Stock company, who will be in our city four nights, changing the bill every night at popular prices.  
This company, the No. 1, comes with the best of credentials and from what the press of Los Angeles says as well as the other large cities, they should give a very meritorious performance. They have been in stock in Los Angeles and are now en route to the east, opening in Kansas City after Lent for an indefinite run.  
This is not the first visit of the LeMoine Stock company to our coast and they have been heralded with praise and success wherever they have played. They carry all their own scenery and electrical effects, as well as a company of well seasoned actors and actresses to the number of 12. Prominent among them is Miss Charlotte Mandorf, leading lady who will no doubt be remembered by some of our citizens who have visited the larger cities.  
They not only play drama but comedy dramas as well, as Mr. LeMoine does not believe in sticking to the serious plays altogether. The opening of the engagement will be Sunday night, February 11, for four nights. Change of bill nightly. Prices 25c, 35c and 50c. Reserved seats on sale at Pendleton drug store. Curtain at 8:20 sharp.

Now the tariff takes the center of the congressional stage again. Whatever else falls out, the tariff always bobs up.

**BREAKS UP A COLD IN SEVERAL HOURS**  
**A FEW DOSES END MOST SEVERE GRIPPE MISERY**  
There is not one grain of quinine in Pape's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the gripe and break up the most severe cold, either in the head, chest, back, stomach or limbs. It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges.  
Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or gripe.  
Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world which will cure your cold or end gripe misery as promptly and without any other assistance or bad after effects as a 15 cent package of Pape's Cold Compound, which any druggist in the world can supply.

**PARENTS OBSERVE 25TH DAUGHTER HER FIRST FRIENDS SURPRISE MR. AND MRS. CONNELLY AND MR. AND MRS. CURR NEAR STANFIELD—WOMEN'S STUDY CLUB HOLDS REGULAR MEETING.**

(Special Correspondence.)  
Stanfield, Feb. 10.—On Wednesday evening a number of friends of Mr. and Mrs. Thos. Connelly surprised them at their home on the Furnish project four miles northeast of town, it being their twenty-fifth wedding anniversary. It was also the first anniversary of the marriage of their daughter, Mrs. Chas. C. Carr. The evening was spent in a very pleasant manner with cards, etc., after which delightful refreshments were served. Those present were Mr. and Mrs. J. F. Bagan, Mr. and Mrs. E. Lundwall, Mr. and Mrs. P. H. Bachholz, Mr. and Mrs. H. E. Bartholomew, Mr. and Mrs. Chas. R. Hazen, Mr. and Mrs. Ivan W. Dunning, Mr. and Mrs. Chas. C. Carr, Miss Lundwall, Mrs. Perl Nollen, Hon. James M. Kyle, F. Smith, Miss Eva Dunning, C. B. Gray and Mr. and Mrs. Connelly.  
The Stanfield Women's Study Club held their regular meeting Thursday afternoon at the home of Mrs. G. L. Dunning, two very interesting papers being read. Mrs. John F. Bagan took as her subject "Industrial Evolution," and Mrs. P. A. Baker read a paper on the subject, "The South, Old and New." After the usual open discussion of the papers by the members present the subject of civil improvement was brought before the club for discussion and considerable interest was manifested therein. It has been practically decided by the club that they will undertake through special committees, to accomplish something along this line though definite plans have not yet been formulated.  
Father Butler of the Franciscan Capuchin Order, with headquarters at Umatilla, was in Stanfield Thursday attending to matters in connection with the construction of the new Catholic church here. Work is progressing thereon in a very satisfactory manner and workmen are already busy putting the first coat of paint on the exterior.  
Frank Nudo, a young Italian well known in Pendleton, arrived here Thursday and is arranging to cultivate a tract of land on the Houser ranch near here. Mr. Nudo, who is an experienced gardener, will concentrate his efforts to a few acres, making a specialty of celery and other kinds of vegetables which can be grown to good profit on this class of soil.  
W. H. Copeland, a well known merchant of Astoria, is spending a few days here looking after the improvement of his land under the Furnish project. Mr. Copeland is one of the pioneers in the project and is heavily interested therein, his holdings amounting to a large acreage, all of which he is having improved in first class shape.  
R. N. Stanfield has returned from a business trip to Portland, where he spent most of the past week.  
Jack O'Neil, traveling passenger agent for the Oregon-Washington R. R. & N. Co., was in Stanfield Thursday attending to business for his company.  
Dr. Henry Waldo Coe is spending a few days in Portland on business.

## OSLER RIGHT; YOUTH SUCCEEDS AGE

Osler isn't the only man who turns down old age. In the business world the "young man" is always the one who picks the plums. It is an age of "new thought," "new talent," etc., and the old man is passed by in the race.  
One of the first signs of coming age is the appearance of gray hairs. When you see them, act promptly. Wyeth's Sage and Sulphur Hair Remedy will correct this sign, which so often deceives people into thinking that age is really upon them. It is a well known fact that Sage and Sulphur will darken the hair. Wyeth's Sage and Sulphur combines these old-time remedies with other agents, which remove dandruff and promote the growth of the hair.  
The manufacturers of this remedy authorize the druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.  
Don't look old before your time. Get a bottle of Wyeth's Sage and Sulphur today, and see what an improvement it will make in the appearance of your hair.  
This preparation is offered to the public at fifty cents a bottle and is recommended and sold by special agent, Pendleton Drug Co.
