

PORTLAND SHEEP MARKET FIRMER

MARKED INCREASE IN PRICES ARE QUOTED

Holdover Mutton Sold at Ten Cent Advance While Market Generally is Twenty Five Cents Up—Hogs and Cattle Firm.

(From Friday's Journal.) There was a firmer tone and higher prices in the sheep market at North Portland today. Some stock that was carried over sold at an advance of 10c over former top figures. While the price itself was an advance of 25c over previous figures, the stock was sold off cars therefore meaning that it would have brought really 15c less than this on the fill.

There were arrivals of 447 head reported in the mutton division of the local market today and on this day a week ago only a handful of stock came forward, and that was a contract lot.

One big lot of feeders that arrived yesterday was not sold until this morning but it brought a good price. The lot consisted of 991 wethers and the sale was made at \$3.90.

Demand in the hog trade at this time is confined principally to block stock, and the larger per cent of the arrivals are of that class, while in the central west the call is for heavy packing stock of quality.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. GRANDMOTHERS USED SAGE TEA

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea" and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out, start using Wyeth's Sage and Sulphur today and see what a change it will make in a few days' time. This preparation is offered to the public at fifty cents a bottle and is recommended and sold by special agent, Pendleton Drug Co.

"She is Waiting"

and so are those she is waiting on. And mind you, a good high-ball is well worth waiting for. Good, pure, wholesome Rye Whiskey, like the brands we are now selling, will make one wait patiently, but enjoy the wait when the liquid arrives—cool, comforting, and refreshing. If you are a high-ball lover, better try a bottle of this splendid Whiskey of ours. You will always want that brand afterwards. And the price will satisfy you, too.
