## TWO SENATORIAL POSSIBILITIES QUIT

FULTON, REPUBLICAN, AND GEARIN, DEMOCRAT, STOP

Ben Selling Will Probably Announce His Candidacy for Republican Nomination Today—Dr. Lane May Enter Race for Toga.

Portland, Ore., Feb. 20.—Charles W. Fulton will not be a candidate for the republican nomination for United States senator. In a statement he declares he is not convinced that he is the most available candidate to make the race against Senator Bourne and declines to run.

John M. Gearin will not be a candidate for the democratic nomination. After several days of conference with democratic leaders, who endeavored to persuade him to take up the fight, he declared his mind is finally made up to remain out of the contest.

Ben Selling stated that he will give a final answer as to his intentions today. It is generally believed that Selling will declare himself a candidate and will start out for the scalp of Bourne.

On the democratic side, interest centers in efforts now being made to place Dr. Harry Lane in the field. So far as Portland is concerned, the talk of candidates has oscillated between Gearin and Lane. Now that Gearin has declined, local democrats are declaring it is "up to Lane."

### Lineup of Candidates.

Apparently, the republican candidates to enter the primary will be Ben Selling, Stephen A. Lowell of Pendleton, Senator Bourne and J. W. Morton of Salem, providing the latter files his nominating petition.

The democrats already announced are Walter M. Pierce of Hot Lake, Milton A. Miller of Lebanon and O. P. Coshaw of Roseburg. If the name of Dr. Harry Lane is added, as his friends now believe it will be, it is believed that at least one of these candidates will withdraw.

In explanation of his attitude, ex-Senator Fulton issued a lengthy statement, in which he sets forth his views on the needs of the state in national legislation and attacks Senator Bourne. Declaring it important that Bourne be retired, he says "I am not disposed to take any step that will militate against that necessary and all-desired result."

Mr. Fulton makes an interesting statement concerning his opinions upon the "Oregon system," asserting he has never opposed it, and is in accord with it in the main. He says it is now adopted and settled as the law of the state. Admitting he did not concur in Statement No. 1 to mean that a republican legislator was required to vote for a democratic for United States senator, he adds:

"The people have construed the law otherwise, and I bow to that decision and construction."

### CASTLE FOR CALIFORNIA

Girl of Golden State Is Engaged to Austrian Count.

Los Angeles.—Letters to her parents in Saticoy, Cal., from Miss Olivia Fitzpatrick, whose engagement in Austria to Count Hans Larisch has just been announced, states that after the wedding has been performed at high court, the date of which has not been announced, she and the count will come to California to spend their honeymoon, and that they will

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Miss Fitzpatrick, although born on her father's ranch near Saticoy, is of noble lineage. She was sent to Austria by her parents to receive the finishing touches to her education. ### COMMITTS SUICIDE TO DODGE NOISE OF ROOSEVELT BOOMERS

New York.—A violent antipathy to Colonel Theodore Roosevelt, amounting to a mania, and resulting in a sort of "business melancholia," was given as the reason for the suicide of William E. Vermilya, 59, president of the Rufus Waterhouse company, manufacturers of neckwear, by drinking carbonic acid in his home, in Mount Vernon.

According to an officer of the company, who was seen, Mr. Vermilya's anti-Roosevelt mania dates back to the panic of 1907. It appears that Mr. Vermilya weathered the panic only after a hard struggle. He placed the blame for business conditions on President Roosevelt.

Early in the Taft administration Mr. Vermilya recovered somewhat from his pessimistic gloom. But when the Taft administration began its onslaughts against trusts all of his fears were reawakened.

"During the past few weeks, since the newspapers have repeatedly announced that Roosevelt might become a candidate for the nomination, Mr. Vermilya's depression has been pitiable," said the informant.

Walla Walla, Wash.—According to Warden S. C. S. Reed, of the Washington State Penitentiary, he has 15 college and university graduates serving time in the institution, and from this number he will choose educators to take charge of the new night school, which is now under consideration by the State Board of Control, and which is expected to be established in the near future. Ac-

ording to the warden, he lacks no material to fill his corps of instructors, some of the prisoners showing exceptional ability in certain branches to be included in the curriculum of the night school.

Ping, who was born in San Francisco, has married two American women. His first wife died several years ago.

Mrs. Ping will go to her parents in rural North Carolina to stay until her husband settles a quarrel with an uncle who was bent on sending him to the Orient for a second wife.

### "HELP" NOTE PINNED IN WINDOW CAUSES AN ARREST

Chicago.—"Help! Police! Help!" Such was a note pinned in large letters and pinned in a window of a

house at 727 Grand avenue and that resulted in the arrest of James Kitchus, a Greek. He was arrested on a charge preferred by Caroline Vnok, 21 years old. On hearing the latter's story yesterday morning in the West Chicago avenue court, Municipal Judge Heap sentenced Kitchus to six months in the bridewell.

The girl testified that she wrote the note and pinned it to the window as the man had beaten her and she was afraid he intended to kill her. A boy saw the note. He ran to a corner drug store and told the clerk. The latter summoned the police, who found Kitchus beating the girl.

The girl said that last April Kitchus showed her a paper and said he had secured a marriage license and that they were husband and wife. She said she has lived with him since that time, but that recently he has been beating her in fits of jealousy.

## Sensible Women Know Foundation of Health

As health talks to women become more general, both in the newspapers and on the platform, the mass of women are beginning to realize what the more cultivated have always known, that good health cannot be found in a powder box. The externals of health may be obtained in that way, but the basis of health lies deeper, and yet is just as easily obtained.

The most important thing that a woman can do for herself, and about which she is often most neglectful, is to watch the condition of her stomach and bowels. The weary eyes, the bad breath, the frequent headaches, the pimples, the general air of lassitude is nine times out of ten the result of constipation or indigestion, or both. Many simple remedies can be obtained, but the best in the estimation of most women is Dr. Caldwell's Syrup Pepsin. It is mild, pleasant to the taste and exactly suited to her needs. It is far

superior to salts, cathartic pills, waters, etc., which are entirely too violent. Women should see to it that they have at least one movement of the bowels each day, and when showing any tendency to constipation should take Dr. Caldwell's Syrup Pepsin in the small dose prescribed. A brief use of it will so train the stomach and bowel muscles that all forms of medicine can be dispensed with. These opinions are voiced by thousands of women, after personal experience, among them Alta M. Lilly, Redwine, Calif., and Mary A. Beebe, St. Thomas, Nevada.

Anyone wishing to make a trial of this remedy before buying it in the regular way, a bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
